Explanatory Statement

As required by Section 102 of the Companies Act, 2013 (the “Act”), the following explanatory statement sets out all the material facts relating to the resolution to be passed as mentioned in the accompanying Notice dated 3rd December 2021:

1. The Board of Directors of Coastal Gujarat Power Limited (the “**Company**” or “**CGPL**”), on 12th August 2020, had approved the Composite Scheme of Arrangement amongst Coastal Gujarat Power Limited and Tata Power Solar Systems Limited (“**TPSSL**”) and The Tata Power Company Limited (“**TPCL**”) and their respective shareholders, under Sections 230 to 232 read with Section 52 and other applicable provisions of the Act (“**Composite Scheme**”).
2. The Equity Shareholders of the Company had provided their consent to the Composite Scheme *vide* consent affidavits dated 4th November 2020. Thereafter, pursuant to the directions of the Hon’ble National Company Law Tribunal, Mumbai Bench (“**Tribunal**”) *vide* its order dated 5th January 2021, the meeting of the Equity Shareholders of the Company was dispensed with.
3. However, in recent months, there have been numerous favourable policies of the Government of India, to promote and encourage entities engaged in solar manufacturing including production linked incentive scheme to manufacture high efficiency solar PV modules and also, imposition of basic customs duty on import of solar cells/modules, etc. to scale up domestic solar manufacturing including exporting solar cells/modules. TPSSL is in the solar manufacturing business and the abovementioned government policies will help TPSSL further expand its existing manufacturing capacities to avail these benefits/incentives and create more shareholder value to the TPCL and its shareholders. Therefore, it was felt that it would be commercially prudent and desirable by the Board of Directors of TPCL and TPSSL, to keep TPSSL as a separate entity and let it continue as a wholly owned subsidiary of TPCL, rather than merging it with TPCL as envisaged under the Composite Scheme.
4. On account of the abovementioned reasons, the Board of Directors of the Company, TPSSL and TPCL, at their respective meetings held on 1st July 2021, decided to amend the Composite Scheme and withdraw the amalgamation of TPSSL with TPCL and accordingly, approved/noted the amendment to the Composite Scheme, subject to the approval of the Hon’ble Tribunal and regulatory authorities, as may be required. The Composite Scheme, as amended, deals with removal of the provisions pertaining to amalgamation of TPSSL with TPCL and consequential changes or effect thereupon (“**Amended Composite Scheme**”). A copy of the Amended Composite Scheme is annexed herewith and marked as ‘**Annexure A**’.
5. Thus, the Amended Composite Scheme (post exclusion of TPSSL), will now comprise the amalgamation of the Company with TPCL and consequential capital reorganisation of TPCL. Further, pursuant to the Amended Composite Scheme, no consideration will be discharged either in the form of shares or otherwise, by TPCL to the Company, being a wholly owned subsidiary of TPCL. Thus, there is no valuation exercise to be undertaken in relation to the Amended Composite Scheme and, therefore, there will also be no requirement for obtaining fairness opinion.
6. Pursuant to the Amended Composite Scheme, the rights of Equity Shareholders of the Company will not be adversely impacted as even currently, the financial accounts of the Company and TPSSL (being wholly owned subsidiaries of TPCL) are consolidated with TPCL, and the Amended Composite Scheme will not impact the financial position of TPCL. Further, TPSSL would continue to remain a wholly owned subsidiary of TPCL.
7. The Company, TPCL and TPSSL have also made requisite filings in relation to the Amended Composite Scheme before the Hon’ble Tribunal through affidavits and also filed a Company Application bearing No. CA. 239/2021 (“**Company Application**”) seeking amendment to the Company Scheme Petition bearing No. CP (CAA) No. 42/MB-IV/2021 (“**Company Scheme Petition**”), *inter alia*, by deleting TPSSL from the array of parties and make consequential amendments to the Company Scheme Petition, including putting on record the Amended Composite Scheme. The Company Application was allowed by the Hon’ble Tribunal *vide* order dated 6th October 2021. As such, the Company Scheme Petition has been amended, *inter alia*, removing TPSSL as a party to the Company Scheme Petition and placing on record the Amended Composite Scheme. Further, the Hon’ble Tribunal *vide* its orders dated 6th October 2021, in connection with the abovementioned Company Application and the Company Scheme Petition, respectively (“**Tribunal Orders**”) also has directed the Company to seek approval of the Equity Shareholders with respect to the Amended Composite Scheme.
