

Notice regarding Biomass pellet firing

In compliance to Ministry of Power's notification 11/86/2017-Th.II dated 08th October 2021 regarding mandatory firing of Biomass pellet in all coal fired boilers. It is hereby notified that MPL with bowl mill is required to blend 5% of agro based biomass pellets in its boilers to comply to the notification.

Further CERC in its Suo moto petition 12/SM/2019 dated 26.11.2019 had ordered that”

“Generator shall also inform beneficiaries about the time period during which it intends to co-fire biomass with coal by putting this information on its website. Representatives of the beneficiaries shall be allowed inspection during the period biomass is being co-fired. At the end of the time period during which biomass cofiring has been carried out, petitioner shall indicate the quantum of biomass fired and the energy generated from biomass based on the methodology specified above.”

In compliance of the above orders, Maithon Power would be blending agro based biomass pellets in its Unit #2 tentatively during the period 30.06.2023 to 15.07.2023. The beneficiaries are requested to inspect this operation of Maithon Power Limited.
