## **ANNEXURE "A"**

### **Terms and conditions**

- 1) Only Grid connected RE generation projects are eligible to meet RPS Obligation of distribution licensees. The responsibility of metering and certified meter reading shall be of supplier and would be as per relevant Regulation of the Commission as applicable.
- 2) The rate offered shall be as per the Tariff approved in MERC order dated 29<sup>th</sup> April 2011, under case no-39 of 2011 determining the tariff for various RE sources. In case of revision in tariff by MERC same shall be applicable as per relevant MERC order.
- 3) In view of the anticipated low demand of power in the night period during the winter months of January and February, offers for diurnal power( 0700 hrs and 2300 Hrs) only would be accepted in these months.
- 4) Tata Power reserves the right to reject any or all the offers without assigning any reasons what so ever. It is also not binding on Tata Power to disclose any analysis report on offers. Once the acceptance of the offer is conveyed, the Trader(s)/Supplier would be bound to supply the power as per the contract. Tata Power reserves the right to enter into letter of agreement with one or more of the supplier and decide the quantum of power.
