Table 1

1. INTRODUCTION:

The Tata Power Company Limited (TPC) is among the largest private sector Power Utility companies in India with presence in Generation, Transmission and Distribution of Power through conventional and renewable sources.

1.1. A Finned tube Air Heat Exchanger -hereafter referred as Dry Cooling tower/Cooling tower of existing 2.5MVA DG set at U#7 Trombay has started developing tube leakages due to aging and corrosive atmosphere. The existing KOEL DG set and its M/s GEI make cooling tower is very old and was supplied in early 90s.

- 1.2. Availability of DG set of U#7 is very crucial being black start unit of Trombay.
- 1.3. This notice for Expression of Interest is for one to one replacement of existing aged dry type cooling tower with equivalent system utilizing existing foundation.

The tendering/ procurement activities for this Project are being managed from Tata Power's following Office:

The Tata Power Company Limited,
Trombay Thermal Power Station,
Corporate Contracts,
5th Floor, Station B, Chembur-Mahul,
Mumbai 400074, Maharashtra, India.

2. BRIEF SCOPE OF WORK:

The brief Scope of Work under this tender shall be:

Dismantling of existing cooling towers & structure and design, manufacture, inspection, testing at BIDDER's and/or his Sub-Bidder's works, packing, transportation from place of manufacture to site, erection and commissioning and carrying out performance guarantee test at Site and other related works for Cooling tower with cooling air fan, its motor and associated accessories & structures as specified.

Detailed Scope of Work for this Contract shall be provided in the Tender / RFQ document to all potential buyers submitting the valid EOI with due tender fees.

3. TENDER FEE & TIMELINES:

a) Interested parties meeting the "Bidder Pre-Qualification Requirements" specified under point no. 4 in this document can request tender document and participate in the bidding process by submitting the Expression of Interest (EOI) Letter along with the Tender Fee Payment Details to the contact details mentioned below not later than deadline specified below. Request for extension of EOI submission date will be not be entertained.

b) Interested bidders should submit the Expression of Interest (EOI) letter and tender fee payment details to below mentioned email addresses:

- Mails shall be addressed to (To): juhigaur@tatapower.com
- Must Mark a copy to (Cc): ksurve@tatapower.com

EOI / requests without complete information and communication as above within deadline shall be liable to be rejected and will not be considered further.

c) Tender Fee, as indicated in the Table1 above may be paid through **NEFT** as per details for payment of Tender Fee given in Table2 below:

e) Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties submitting a valid EOI as per terms mentioned in this document.

4. BIDDER PRE-QUALIFICATION REQUIREMENTS:

Interested parties to note that Bidder shall be required to fulfill the following bidder pre-qualification requirement / criteria in order to qualify for the subject work. Bidder will be required to submit relevant supporting documents to demonstrate their qualification during the bid submission stage against Tender document / RFQ and bidders not found meeting the pre-qualification requirements given below will be disqualified from the tender.

1.1 Technical Requirement

1.1. The Bidder must have proven experience and shall have executed similar type of job for at least two (2) no. of projects in past 10 years. Similar type of job mentioned here

shall include a scope of supply of dry type cooling towers with water flowrates 100 cu.m/hr or higher and size of Cooling Tower structure around 5mx5m.

1.2. Bidder shall submit the following document along with the Bid Document in support of the qualification criteria specified above:

- a. Reference list of similar projects executed in past 10 years mentioning the brief project description and type & size of cooling tower supplied.
- b. Work completion / commissioning certificates for successfully executed projects for minimum 2 projects of similar nature of job.

1.2 Safety requirement

Bidder should have ISO 9001 / ISO 14001 / ISO 45001 certification or must give an undertaking for its willingness to obtain the same within 2 months of qualification for the work.

1.3 FINANCIAL REQUIREMENT:

a) Bidder must have an Average Annual Turn Over of not less than Rs. 2 crores during the last three financial years.

5. BID SECURITY / EMD:

Interested parties to note that Bidder will be required to furnish a Bid Security along with their Bid, in the format prescribed in Bid Document **in the form of Bank Guarantee only**, for an amount as defined in the covering page of this notice document. Bids not accompanied by an acceptable Bid Security shall be rejected by the Owner as being non-responsive and returned to the bidder without being opened.

Interested parties to note that Bid Security is not required with the EOI and it is required to be submitted with the Bid only during Bid Submission stage, once RFQ is released to the interested parties that have submitted a valid EOI.

6. BIDDING PROCESS:

Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties that submitted a valid EOI as per terms mentioned in this document.

Bidder to note that commercials for subject tender may be conducted through e-auction. Detailed bidding and auction process shall be detailed in the RFQ / tender document.
