

Maharashtra Cong to hold virtual farmers' rally in 10,000 villages

EXPRESS NEWS SERVICE
MUMBAI, OCTOBER 13

AS PART of its efforts to mobilise support against the central government's controversial farm laws, the Congress in Maharashtra will hold a virtual rally of farmers connecting 10,000 villages on October 15. State Congress president Balasaheb Thorat announced the initiative on Tuesday. The "Kisan Bachao" virtual rally is part of the party's ongoing nationwide campaign seeking the withdrawal of the legislations. Thorat said on Tuesday that the party expects around 50 lakh farmers to participate during Thursday's rally, which will also be streamed live through social media handles. With AICC observers also expected to attend the event, the state Congress said it had set up big LED and LCD television screens across the 10,000 villages to reach out to the "marginalised farming community in a big way for the purpose of the rally". The party has earmarked five

locations in the state — Sangamner (Ahmednagar), Aurangabad, Amravati, Nagpur and in the Konkan belt — as the main spots for the virtual rally, which will be held simultaneously across these locations. Accusing the Narendra Modi-led central government of pushing through the "anti-farmer" legislations in an "undemocratic fashion", the Congress is keen to leverage the protests against the farm legislations as an opportunity to regain some of its lost political space. The party has kicked off a two-month long nationwide campaign from September 26 onwards. Until October 31, the party has asked its state unit to collect signatures from farmers and Agriculture Produce Market Committee traders, demanding a repeal of these legislations. On November 14, on the occasion of the birth anniversary of Pandit Jawaharlal Nehru, the party has plans to submit a detailed memorandum along with the signatures of farmers from across India to President Ram Nath Kovind.

ICICI-VIDEOCON LOANS CASE

Deepak Kochhar discharged from hospital, sent to ED custody till Oct 17

EXPRESS NEWS SERVICE
MUMBAI, OCTOBER 13

HOURS AFTER he was discharged from a private hospital in Delhi since him testing negative for Covid-19, Deepak Kochhar, husband of Chanda Kochhar, the former ICICI Bank MD and CEO, was sent to the custody of Enforcement Directorate (ED) till October 17. The 59 year old was flown to Mumbai on Tuesday and produced before a special court where the ED sought his five-day custody. Arrested on September 7 in connection with the ICICI-Videocon loans case, Kochhar was taken to Delhi for further investigation. On September 14, he had tested positive for Covid-19 and had been undergoing treatment in a Delhi hospital since. The ED had submitted to the Mumbai court that since Kochhar was under treatment, the custody period granted to the agency should be suspended. The court accordingly had ordered Kochhar to be sent to judicial custody and directed the agency to produce him before it

within two days after his discharge. The ED on Tuesday sought his further custody stating that the probe in the case is yet to be completed. Kochhar's lawyers Vijay Agarwal and Rahul Agarwal opposed this stating that he is still weak and as per the hospital's advice, requires a minimum of two weeks of rest. They also submitted that he requires post-Covid care as per the government's guidelines. Chanda Kochhar, who was present in the court, submitted that her husband had suffered from the virus for three weeks and continues to have various ailments and weakness. The court said that since Kochhar tested positive on September 14 while in ED custody, he was ordered to be sent to judicial custody but the probe needs to continue. "(At) that time, priority was given to his health issue and therefore, ED custody was suspended. While considering rights and liberty of accused, we cannot ignore that investigation agency also gets fair opportunity for investigation," the court said while remanding Kochhar to ED custody.

PUNE TO REMAIN HOST CITY

108th Science Congress to be held in 2022 instead of January 2021

ANJALI MARAR
PUNE, OCTOBER 13

SCIENCE ENTHUSIASTS will have to wait longer for the next Indian Science Congress, as the event has been rescheduled to take place in 2022 in the wake of the Covid-19 pandemic. It was to be hosted in January 2021 at Pune. Earlier in March, Indian Science Congress Association (ISCA) awarded Symbiosis International University (SIU) to host the 108th edition of the Science Congress, scheduled to be held between January 3 and 7, 2021. With the outbreak of Covid-19 soon after, however, the fate of the 108th Science Congress was undecided till August. There was a recommendation to organise a virtual event, but executive council members of ISCA decided to reschedule the event by a year while retaining Pune as the host city and SIU as the venue. "Organising the Science Congress virtually is not feasible, as it is difficult to arrange webinars or similar online platforms for 10,000 or more participants," Vijay Laxmi Saxena, general president, ISCA, told *The Indian Express*. Given the state of affairs with respect to the pandemic, Saxena said the 2022 Science Congress in Pune will have all safety measures in place. Speaking on some of SIU's preparations initiated for the national meet, Dr Rajiv Yeravdekar, local secretary, 108th ISC, said, "Soon after the announcement, we formed committees and identified core working groups mainly comprising faculty members. Registrations were opened. However, with the postponement, the collected registration fees have been refunded and all activities have been put on standby...We also contacted vendors for construction works and were in preliminary talks for arranging travel, accommodation, catering, and other requirements for guests and participants..."

Farmers' welfare at core; focus on double income, higher MSP: Modi

EXPRESS NEWS SERVICE
MUMBAI, OCTOBER 13

PRIME MINISTER Narendra Modi on Tuesday said the country has brought farmers to the centre stage and emphasised on doubling farm production and income. "There is a concerted attempt to provide higher remuneration by increasing the Minimum Support Price (MSP)," he said. Modi was addressing people after releasing the autobiography of Dr Balasaheb Vikhe Patil titled 'Deh Vechwa Karani' via videoconferencing from New Delhi. He renamed Pravara Rural Education Society as Loknete Dr Balasaheb Vikhe Patil Pravara Rural Education Society. The function was organised by senior BJP leader Radhakrishna Vikhe Patil at Pravara in Ahmednagar. While Chief Minister Uddhav Thackeray attended it via videoconference, Opposition leader Devendra Fadnis attended the event at Ahmednagar. Modi said one will find stories of Balasaheb Vikhe Patil's life in every region of Maharashtra. He said Balasaheb Vikhe Patil followed in the footsteps of Dr Vitthalrao Vikhe Patil and dedicated himself to the development of Maharashtra. Easing the lives of villagers, the poor and the farmers and reducing their suf-

fering has been the core of his life, he said. Balasaheb Vikhe Patil always worked for the betterment of the society and always stressed on making politics a medium for bringing meaningful changes in the society, he added. The Prime Minister said that after Independence when the country did not have enough food, the priority of the government was how to increase the productivity of crops. But in this concern for productivity, the focus was not given towards profitability of the farmer. "The country is now emphasising on increasing the income of the farmer, and has made constant efforts in this direction, such as the decision to increase MSP, neem coating of urea and better crop insurance," Modi said. With initiatives like PM-Kisan Samman Nidhi Yojana, farmers now do not have to depend on

others for small expenses. Moreover, unprecedented work has been done on augmenting infrastructure such as cold chains, mega food parks and agro-processing infrastructure, he said. Referring to Balasaheb Vikhe Patil's emphasis on the need to preserve the traditional knowledge of farming, the PM said we must preserve that knowledge and must also combine new and old methods in agriculture. In this context, the PM cited the example of sugarcane crop, where both new and old ways of farming are used. He said now industries are being set up to extract sugar as well as ethanol from sugarcane. Recalling the initiatives of Balasaheb Vikhe Patil in tackling drinking and irrigation water problems, Modi said, "Under the Pradhan Mantri Krishi Sinchayee Yojana, work was done rapidly to complete 26 projects in Maharashtra, which were stuck for several years. Out of these, nine projects have already been completed. With the completion of these projects, about 5 lakh hectares of land will get irrigation facilities." The PM lauded the water conservation work done in the state. "Devendra Fadnis-led government gave Maharashtra an identity through water conservation work. The scheme was taken across homes to combat drought," he said.

Man held for 'derogatory comment against VBA chief on FB'

EXPRESS NEWS SERVICE
PUNE, OCTOBER 13

POLICE HAVE arrested a man for allegedly posting a derogatory message about Vanchit Bahujan Aghadi (VBA) leader Prakash Ambedkar on Facebook. Pune resident Manoj Kshirsagar, who is a member of the VBA, has lodged the FIR at Khadak police station. Based on the complaint, police verified the identity of the Facebook user. According to police, Suraj Chavan (34) is a resident of Katraj who is in the real estate business. He was arrested late on Monday and produced before a court in Pune on Tuesday, where he was remanded in judicial custody.

HC seeks measures to make people aware of availability of Covid drugs

OMKAR GOKHALE
MUMBAI, OCTOBER 13

THE BOMBAY High Court on Tuesday said that some measures can be taken to make information available to the public as to where medicines and injections for Covid-19 patients are stocked and the same can be published. The court asked the petitioner to make the Brihanmumbai Municipal Corporation (BMC) a party to a public interest litigation (PIL) seeking that medicines for Covid-19 treatment be directly delivered to hospitals and quarantine centres. A division bench of Chief Justice Dipankar Datta and Justice Girish S Kulkarni was hearing a PIL filed by Jayesh Mirani, president of NGO All Maharashtra Human Rights Welfare Association, through advocate Prashant Pandey. The plea stated that Covid-19 patients were dying as they could not avail the medicines and sought direction to the state government to make medicines required for treating Covid-19 patients, including Remdesivir, Actemra injections and FabiFlu tablets available at government and private hospitals and also at medical stores. The PIL said that since important medicines required to treat critical Covid-19 patients are available only with six suppliers in Mumbai, many patients are deprived or availing treatment. "Patient's relatives or caregivers need to procure the medicines and have to pay more than the maximum retail price on many occasions. If the drugs were instead made available at Covid-

19 treatment facilities, much time would be saved and immediate care can be given to the patients..." advocate Pandey had submitted. As per court's September 18 directions, the Maharashtra government submitted an affidavit stating that over 2 lakh Remdesivir injections were distributed by 307 distributors and hospitals between April 1 and September 25 in Mumbai. Moreover, nearly 3.2 lakh strips of Favipiravir tablets were distributed at 183 hospitals during the same period. The state government also said that between April and September this year, 87 inquiries for Remdesivir and 13 for Tocilizumab injections were made on helpline numbers and the demands were catered to. The petitioner on Tuesday said that over 100 persons were dying everyday in the city due to non-availability of these injections and the claim of only 87 inquiries made by public was unbelievable. Pandey said the unavailability of injection on the first day of admission results in 15 per cent damage to the lungs of Covid-19 patients. He added that the system devised by the BMC of calling the medical officer, who would dispatch the injection the next day, causes delay and by then the lungs

of the patient get damaged by 30 per cent. The petitioner sought directions from the court to expedite the process of providing the injections by the civic authority. The bench said it would first hear the BMC and asked the petitioner to make the civic authority a party to the case. "The BMC and concerned departments of the state must work in tandem to ensure that all these drugs remain available easily. Some measures can be taken to make information available to the public at large as to where and how medicines are stocked, made available and at what prices etc," the court said. The court posted further hearing in the matter to Thursday.

NCP to go it alone in Bihar polls, says Praful Patel

EXPRESS NEWS SERVICE
MUMBAI, OCTOBER 13

THE SHIV Sena, NCP and Congress, which joined hands to form a coalition government to keep the BJP away from power in Maharashtra, will fight the Bihar Assembly polls separately. The NCP, led by party president Sharad Pawar, is set to contest the elections alone. The decision was taken at a meeting in Mumbai. The NCP is upset as the RJD and Congress did not leave a single Assembly seat for it. Speaking to mediapersons, NCP leader and Rajya Sabha MP Praful Patel said, "The Congress and RJD talk of forging a grand alliance to defeat the BJP and JD(U). But when it comes to practical approach, they are not willing to accommodate the allies." Patel said he was in talks with RJD's Tejashwi Yadav, senior AICC leader Ahmed Patel and Bihar Congress in-charge Shaktisinh Gohil. "During our interaction it was decided that we should get all like-minded parties to unite and fight against the BJP and JD(U). Even after our discussions, the Congress did not appear keen on considering NCP's request. Moreover, the NCP was not expecting many seats," he said, adding that the party will not have any alliance with the RJD and Congress. Interestingly, the Bihar Assembly elections have generated a strong interest in

Maharashtra. All the mainstream political parties, including the Shiv Sena and NCP, have declared to contest the polls. Last week, Shiv Sena chief and Maharashtra Chief Minister Uddhav Thackeray declared it will contest 50 seats but did not specify the details on alliances. Patel ruled out any alliance with the Shiv Sena in Bihar. "The NCP will not have an alliance with the Shiv Sena. It is completely ruled out," he said. The Vanchit Bahujan Aghadi (VBA) too is contesting the Bihar polls. The VBA, led by Prakash Ambedkar, has decided to form an alliance with the Democratic Progressive Front. This will be the 'non-Congress, non-BJP' front. Ambedkar said, "We want to contest the Bihar polls to arrest the political growth of the BJP. Unless we check them in states, it will not be possible to weaken their hold at the national level."

New norm for debenture trustees in case of default

PRESS TRUST OF INDIA
New Delhi, October 13

MARKETS REGULATOR SEBI on Tuesday came out with a uniform procedure that needs to be followed by debenture trustees in case of default by issuers of listed debt securities.

The process also includes seeking consent from the investors for enforcement of security or for entering into an inter-creditor agreement (ICA), Sebi said in a circular. The decision has been taken in consultation with stakeholders, including investors, debenture trustees (DTs) and issuers.

Due to the presence of multiple ISINs which may have been issued under the same Information Memorandum (IM) or a single ISIN which may have been split across multiple IM(s), Sebi said 'event of default' will be reckoned at the ISIN level. This is because all terms and conditions of issuance of security are same under a single ISIN even though it might have been issued under multiple IMs.

Non-life insurance industry's gross direct premiums clock 4.41% fall

FE BUREAU
Mumbai, October 13

GROSS DIRECT PREMIUM underwritten by the non-life insurance industry saw growth in the first half of the current financial year. However, the premiums came down 4.41% in September as motor insurance and crop insurance businesses remained under pressure. Market participants are of the opinion that in the last few months, premiums in health insurance have increased for the whole industry.

Data from the Insurance Regulatory and Development Authority of India (Irdai) revealed that general insurance companies' registered premiums grew 1.57% to ₹97,025.04 crore over April and September this year, compared to ₹95,528.40 crore clocked in the previous financial year. In September this year, the non-life insurance industry saw gross direct premiums of ₹23,056.80 crore against ₹24,121.56 crore in September last year, clocking a fall of 4.41%.

Irdai data revealed that general insurance cos' registered premiums grew 1.57% to ₹97,025.04 crore over April and September this year, compared to ₹95,528.40 crore clocked in the previous financial year

Mahesh Balasubramanian, MD and CEO of Kotak General Insurance, said, "Commercial lines of business-like property, engineering and fire have grown because of price rise and overall increase in premiums. Even health premiums have seen good surge as people are now realising the importance of having a health insurance due to the ongoing pandemic." He also added that motor insurance had de-grown in the past few months and new vehicle sales had been depressed.

The standalone health insurance companies saw gross premiums at ₹7,810.97 crore in the first half of the current fiscal year compared to ₹6,099.50 crore in the last financial year, registering 28.06% growth. Currently, health and motor insurances have market shares of around 31% and 30%, respectively, in new business premiums. Market participants said motor insurance numbers should look positive in the next two months due to the festive demand.

Industry players also said the fall in premiums in September could be related to crop insurance. According to Care Ratings, "In September 2019, the premiums had increased primarily due to higher crop insurance premiums. In the current year, crop insurance premiums till August 2020 have been higher, but anecdotal data suggests that as the crop insurance scheme has been made optional, farmer enrolment has reduced. Another reason for the drop in farmer enrolment is reportedly the delay in pay-outs."

ISIN (International Securities Identification Number), which has 12 characters, is used for uniquely identifying securities like stocks, bonds warrants and commercial papers. Sebi said the resolution plan in the ICA may involve restructuring, including roll-over of debt securities, requiring consent of the investors. Under the process for seeking consent for enforcement of security and for signing the ICA, Sebi said DTs will send a notice to the investors within three days of

the event of default by a registered post or hand delivery with proof of delivery, or through any other mode and proof of dispatch of such notice will be maintained. Investors in debt securities, being financial creditors, are approached by other lenders to sign an agreement, referred to as the ICA, under specific terms detailed in the framework as stipulated by the RBI.

The notice will contain the negative consent for proceeding with the enforcement of security, positive consent for signing the ICA, the time period within which the consent needs to be provided (consent to be given within 15 days from the date of notice) and the date of meeting to be convened. Sebi said DTs will convene the meeting of all investors within 30 days of the event of default.

Challenges and growth paradigm for India

SUSHIM BANERJEE

Former DG, Institute of Steel Growth and Development

WHEN WE IN India first heard of Covid-19 pandemic at the beginning of the current year, we knew it has originated in China and knowing the impressive stride China has taken recently to revitalise its economy, we convinced ourselves that the country would be able to face the crisis head on. Meanwhile, the devil had engulfed almost all the nations.

Today, nearly 1.07 million have lost their lives to this virus, more than one-sixth of global youths have lost their jobs, more than 90 million people have been reduced to extreme poverty, according to recent esti-

mates. In India this calamity has taken lives of nearly 0.11 million people, unemployment rate exceeded 7.0%, income inequality has also risen much, although no firm estimates are available.

Along with global GDP and global trade, both of which have been predicted to contract by 4.5% and 11.9%, respectively, India's GDP contraction has been predicted to be one of the highest. One plausible explanation provided earlier was the prolonged lockdown undertaken by the country, which has enabled it to reduce the mortality rates (stringency index developed by Oxford university) but the economic impact was disastrous.

It is an extremely difficult choice for a democratic government that is accountable for loss of human lives more than anything else. In addition, one major distinction between advanced economies and emerging economies like ours

concerns the existing social welfare measures. The unemployment benefits by the US were boosted and in the European Union, around 40 million workers were placed in furlough schemes. As a result, the gross public debt as a percentage of GDP in advanced countries jumped from 105% to 132% during the year.

With the prevailing low or negative interest rates, the repayment may not pose a serious risk. India's scenario is different and it would be interesting to list out the critical economic factors that need special focus in the remaining period of the current fiscal year to get the economy back to rails. Indian economy has been predicted to de-grow by 4.9% in 20-20 by IMF before growing by 5.4% in 2021. These figures may undergo a change in the revised estimates due next week.

This is the first time that RBI has come out with economic

scenario analysis for the country (Monetary Policy Committee Report, October '20). The base line forecasts (with assumptions that inflation will come down

and no recurrence of Covid) de-growth at 9.5% in the current fiscal and rebound of a positive 10.1% in FY22.

संयुक्त निवेदन जारी
भारत-चीन चर्चा
सकारात्मक,
विधायक

पीटीआय, नवी दिल्ली

भारत आणि चीनच्या लष्करी अधिकाऱ्यांमध्ये चर्चेची सातवी फेरी पार पडली, या वेळी सकारात्मक आणि विधायक चर्चा झाली, मतभेदांचे रूपांतर वादात होऊ द्यावयाचे नाही असा समझोता दोन्ही देशांच्या नेत्यांच्या बैठकीत झाला होता त्याची प्रामाणिकपणे अंमलबजावणी करण्याचे दोन्ही देशांनी मान्य केले आहे, असे भारत आणि चीनच्या लष्कराच्या वतीने मंगळवारी संयुक्तपणे जारी करण्यात आलेल्या निवेदनामध्ये म्हटले आहे.

पूर्व लडाखमध्ये गेल्या पाच महिन्यांहून अधिक काळ भारत आणि चीनचे सैन्य एकमेकांसमोर उभे ठाकले आहे. प्रत्यक्ष नियंत्रण रेषेवर भारतीय हद्दीतील चुशूल येथे सोमवारी जवळपास १२ तास चर्चा झाली. त्यावेळी पूर्व लडाखमधील संघर्षाच्या ठिकाणांहून सैन्य कसे मागे घ्यावे याबाबत चर्चा झाली.

भारत-चीन सीमा भागाच्या परिचम क्षेत्रात प्रत्यक्ष नियंत्रण रेषेवरून सैन्य मागे घेण्याबाबत दोन्ही बाजूंनी प्रामाणिक, सखोल आणि विधायक मते व्यक्त केली, असेही संयुक्त निवेदनामध्ये म्हटले आहे. चर्चा सकारात्मक, विधायक स्वरूपाची होती आणि त्यामुळे एकमेकांची भूमिका जाणून घेण्यास अधिक मदत झाली, असेही निवेदनामध्ये म्हटले आहे.

लष्कराच्या आणि राजनैतिक स्तरावर चर्चा आणि संपर्क सुरु ठेवण्याचे आणि सैन्य माघारी घेण्याबाबत दोन्ही देशांना स्वीकाराह असेल या तोंडाचा शक्य तितक्या लवकर काढण्याचे दोन्ही देशांनी मान्य केले, असेही संयुक्त निवेदनामध्ये म्हटले आहे.

शेतकऱ्यांविरुद्ध ट्वीट:
कंगनाविरुद्ध गुन्हा
बॉम्बेहून : केंद्र सरकारच्या वादग्रस्त कृषी कायद्यांविरुद्ध निदर्शने करणाऱ्या शेतकऱ्यांना लश्क्य करणारे ट्वीट केल्याबद्दल बॉलीवूड अभिनेत्री कंगना रनौत हिच्याविरुद्ध कर्नाटकमध्ये गुन्हा नोंदविण्यात आला असल्याचे मंगळवारी पोलिसांनी सांगितले. स्थानिक न्यायालयाने आदेशानुसार तुमकूर जिल्ह्यात गुन्हा नोंदविण्यात आला आहे. एल. रमेश नाईक या वकिलांनी केलेल्या तक्रारीवरून प्रथम वर्ग न्यायदंडाधिकार्यांनी ९ ऑक्टोबरला पोलिसांना गुन्हा नोंदविण्याचे आदेश दिले होते.

प्लास्टिक कचऱ्याबाबत फिल्लपकार्ट, पतंजलीला नोटीसा
नवी दिल्ली : फिल्लपकार्ट व पतंजली पेय यांनी केंद्रीय प्रदूषण नियंत्रण मंडळाकडे नोंदणी केली नसून प्लास्टिक कचरा व्यवस्थापन नियमांसाठी बंधू केला, या कारणास्तव त्यांना उद्योग बंद करण्याबाबत कारणे दाखवा नोटीस जारी करण्यात आली आहे. आदिवा युवा या सोळा वर्षांच्या मुलांने जाबाबत हरित लढावाकडे दाद मागितली होती. त्यात अॅमिझॉन, फिल्लपकार्ट या ई व्यापार कंपन्या पॅकेजिंगसाठी प्लास्टिकचा अतिरेकी वापर करतात असे म्हटले होते.

राष्ट्रीय हरित लढावाला दिलेल्या माहितीत केंद्रीय प्रदूषण नियंत्रण मंडळाने म्हटले आहे की, आम्ही या दोन उद्योगांशी सातत्याने संपर्क साधूनही त्यांनी त्याला प्रतिसाद दिला नाही. पर्यावरण संरक्षण कायदा १९८६ च्या कलम ५ अन्वये त्यांना ८ ऑक्टोबर रोजी नोटीस दिली आहे. त्यात प्लास्टिक कचरा व्यवस्थापन सुधारणा नियम २०१८ अनुसार या दोन्ही उद्योगांनी पर्यावरण भरपाई द्यावी. तसेच त्या दोन्ही उद्योगांचे संचालन बंद का करण्यात येऊ नये, अशी विचारणा करण्यात आली आहे. केंद्रीय प्रदूषण नियंत्रण मंडळाने राष्ट्रीय हरित लढावाला सांगितले की, हिंदुस्थान कोका कोला बिब्रेरेजेस प्रा. लि., पॅमिस्को इंडिया होल्डिंग प्रा. लि. बिसेलेरी बिब्रेरेजेस लि. यांनी आमच्याकडे नोंदणी केली आहे, पण त्यांनी उत्पादक उत्तरदायित्वाची जबाबदारी पार पाडल्याचा अनुपालन अहवाल सादर केलेला नाही. त्यांनी जी जुनवी कागदपत्रे सादर केली त्याला राज्य प्रदूषण नियंत्रण मंडळाने मान्यता दिलेली नाही.

देशातील वितरणासाठी आराखडा, शीतकोठारांचे मापन सुरू : हर्षवर्धन

लोकसत्ता विशेष प्रतिनिधी

नवी दिल्ली : भारतात करोनाप्रतिबंधक लस पुढील वर्षाच्या सुरुवातीला उपलब्ध होण्याची शक्यता आहे. एकापेक्षा जास्त लशी बाजारात मिळू शकतील, अशी माहिती केंद्रीय आरोग्यमंत्री हर्षवर्धन यांनी मंगळवारी करोनासंदर्भातील मंत्रीगटाच्या बैठकीत दिली.

भारतातील मोठ्या लोकसंख्येचा विचार करता कुठल्या एका लशीवर अवलंबून राहता येणार नाही. त्यामुळे एकापेक्षा जास्त कंपन्यांच्या लशींची निर्मिती करून कमीत कमी काळात अधिकाधिक लोकांपर्यंत लस पोहोचवता येईल, असे मत हर्षवर्धन यांनी रविवारी झालेल्या संवादात व्यक्त केले होते. नजीकच्या भविष्यात लस उपलब्ध झाल्यानंतर त्याचे देशात वितरण कसे केले जाईल याचा आराखडा तयार केला जात आहे. लशींचे वितरण करताना साठवणीसाठी शीतसाखळी निर्माण करणेही आव्हान असेल. यासंदर्भात तज्ञ समित्या काम करत असल्याचेही हर्षवर्धन यांनी सांगितले.

देशभरातील शीतकोठारांचे आरेखन केले जात असून आणखी किती शीतकोठारे लागतील याचा अंदाज बांधला जात आहे, असे निती आयोगाचे सदस्य व्ही. के. पॉल यांनी

जगभरात ४० कंपन्यांकडून चाचण्या
जगभरात ४० कंपन्यांच्या लशींची मानवी चाचणी होत आहे, त्यापैकी १० लशींचे तिसऱ्या टप्प्यातील संशोधन सुरु असल्याची माहिती जागतिक आरोग्य संघटनेने दिली आहे. अशा विविध लशींचे संशोधन यशस्वी झाले तर नोंदणीकरण केले जाईल व त्यानंतर ते विविध देशांना वितरित करण्याची प्रक्रिया होणार आहे.

सांगितले. सध्या देशात तीन लशींवर संशोधन केले जात असून भारत बायोटेक व झायडस कॅडिला या कंपनींचा दुसरा टप्पा पूर्ण झाला आहे. त्याचे निकाल नोव्हेंबरमध्ये मिळतील. सीरम इन्स्टिट्यूट ऑक्सफर्डच्या लशींवर संशोधन करत आहे. सीरमच्या तिसऱ्या टप्प्यातील चाचणी केली जात असून देशात १६ ठिकाणी होत आहे. त्याचे निष्कर्ष नोव्हेंबर-डिसेंबरमध्ये येतील, असे ते म्हणाले.

‘जॉन्सन’ लशीच्या चाचण्या बंद

वृत्तसंस्था, न्यू ब्युन्सविक, अमेरिका

अमेरिकेत जॉन्सन अँड जॉन्सन कंपनीने तयार केलेल्या करोना लशीच्या चाचण्या एका स्वयंसेवकाला स्पष्टीकरण करता न येणारा आजार झाल्याने थांबवण्यात आल्या आहेत. यापूर्वी ऑक्सफर्ड लशीच्या चाचण्या अशाच प्रकारे थांबवून नंतर पुन्हा सुरु करण्यात आला होता.

जॉन्सन अँड जॉन्सनने संबंधित व्यक्तीला झालेला आजार लशीशी संबंधित आहे की नाही यावर अभ्यास सुरु केला आहे. कंपनीच्या निवेदनात म्हटले आहे की, यापूर्वीही लशीच्या चाचण्यांत अपघात, आजार व इतर काही गोष्टी नेहमीच संभवत असतात, विशेष करून मोठ्या पातळीवरील

चाचण्यांत असे होत असते, पण आमचे डॉक्टर व सुरक्षा पथक सदर लस टोचलेल्या व्यक्तीला असा आजार कशामुळे झाला असावा याचा तपास करीत आहे. तूत तरी चाचण्या थांबवण्याचा निर्णय घेण्यात आला आहे. ‘स्टॅट’ या वृत्त संकेतस्थळावर या चाचण्या थांबवण्यात आल्याची माहिती सर्वप्रथम देण्यात आली. अ‍ॅस्ट्राझेन्का व ऑक्सफर्ड विद्यापीठाने तयार केलेल्या लशीच्या चाचण्या अमेरिकेत थांबवण्यात आल्या होत्या. चाचणीच्या वेळी एका महिलेला ट्रान्सव्हर्स मायेलिटिस हा शरंज्जूचा दुर्मिळ आजार झाल्याने त्या थॉंबवण्यात आल्या होत्या पण ती आजार लशीमुळे झाला नसल्याचे स्पष्ट झाल्यानंतर या चाचण्या पुन्हा सुरु करण्यात आल्या.

नवी दिल्ली : राष्ट्रीय लोकशाही आघाडी सरकार कुठल्याही गुन्हाकांडे जातीय, वांशिक, प्रादेशिक दृष्टिकोनातून पाहत नाही, असे मत केंद्रीय गृह राज्यमंत्री जी. किशोर रेड्डी यांनी मंगळवारी व्यक्त केले. रेड्डी यांनी सांगितले की, सरकार महिला, तळागाळातील लोकांविरोधातील गुन्हे सहज करणार नाही. सर्व पीडितांना लवकर व निर्णायक न्याय मिळावा यासाठी सरकारचे प्रयत्न आहेत. फिगरपॅट्रिट ब्यूरो संचालकांच्या २०२० मधील अखिल भारतीय परिषदेत रेड्डी यांनी सांगितले की, कायदा व सुव्यवस्था हा राज्यसृष्टीतील विषय असून केंद्र सरकार त्यावर देखरेख करील. पोलीस दलाचे आधुनिकीकरण करणे गरजेचे असून राज्य सरकारला पोलीस निगराणी सुधारण्यासाठी केंद्र सरकार मदत करील.

सप्टेंबरपासून वाढलेली रुग्णांची संख्या हळूहळू कमी होऊ लागली आहे. मुंबईतील रुग्णावधीचा वेगही एक टक्कापेक्षा खाली आला आहे. एकूण बाधितांची संख्या २,३२,३९५ वर गेलेली असली तरी त्यापैकी १९,९८,१२७ म्हणजेच तब्बल ८५ टक्के रुग्ण करोनामुक्त झाले आहेत. मुंबईत सध्या २१,८४१ रुग्ण उपचाराधीन असून उपचाराधीन रुग्णांची संख्याही घटू लागली आहे.

ठाणे जिल्ह्यात आणखी ९५९ करोना रुग्ण

ठाणे : जिल्ह्यात मंगळवारी ९५९ नवे करोनाबाधित आढळल्याने एकूण रुग्णांसंख्या १ लाख ९३ हजार २३० इतकी झाली आहे. दिवसभरात ३९ जणांचा करोनामुळे मृत्यू झाल्याने एकूण मृतांची संख्या ४ हजार ९१३ वर पोहोचली आहे.

जिल्ह्यात महिन्याभराच्या कालावधीनंतर मंगळवारी हजारहून कमी रुग्ण आढळून आले आहे. या रुग्णांमध्ये ठाणे शहरातील २३८, कल्याण-डोंडिवलीतील ११६, नवी मुंबईतील १८८, मीरा-भाईंदरमधील १२४, ठाणे ग्रामीणमधील ९९, अंबरनाथ शहरातील ३१, बदलापूर शहरातील ३०, किर्वाडी शहरातील २९ आणि उल्हासनगर शहरातील २४ रुग्णांचा समावेश आहे.
