1. The above results were reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 26th July, 2007.
2. Maharashtra Electricity Regulatory Commission (MERC) had issued an Order dated 3rd October, 2006 on the Annual Revenue Requirement (ARR) for the financial years 2004-05 and 2005-06 and the ARR and tariff petition for the financial year 2006-07. In the said Order, MERC has held, inter alia, that, (a) certain items recoverable from consumers but not billed (based on MERC tariff regulations/order) should be considered only in the year in which the billing takes place and (b) certain expenses claimed by the Company as deductible from Clear Profits are not deductible. As a consequence, MERC has determined that on comparison of the Clear Profit with the Reasonable Return there is a net deficit of Rs. 164.45 crores (including interest) for the years 2004-05 and 2005-06 (as against a surplus of Rs. 81.62 crores determined and accounted by the Company) and the Order requires that the above deficit should be adjusted against the balance available in certain statutory reserves and consumer benefit account aggregating to Rs. 226 crores. The Order also provides that the balance of Rs. 61.55 crores available in the statutory reserves and consumer benefit account after the above adjustment be utilised towards Annual Revenue Requirement for 2006-07.

The Company had, filed an appeal dated 14th November, 2006 with MERC seeking review of the Order and MERC by its Order dated 22nd March, 2007 has disposed off the said review petition with certain observations and findings which have not been accepted by the Company. The Company is of the view, supported by legal opinion, that aforesaid Tariff Order of MERC can be successfully challenged and has, therefore, filed an appeal dated 4th May, 2007 with the Appellate Tribunal for Electricity (ATE) and pending final outcome, no adjustments have been made in the accounts for the period ended 30th June, 2007.

3. During the quarter ended 30th June, 2007, the Company has adopted Accounting Standard 15 (AS-15) (Revised 2005) on 'Employee Benefits', and has adjusted Rs.42.11 crores (net of tax Rs.19.59 crores) in respect of the opening liability as at 1st April, 2007 against the opening balance of General Reserves and the charge for the quarter ended 30th June, 2007 includes Rs.11.42 crores (30th June, 2006 - Rs. 1.52 crores). The Company had adopted AS – 15 (Revised 2005) during first three quarters of the year ended 31st March, 2007. However, consequent to deferment of AS - 15 (Revised 2005) the Company had, during the fourth quarter of the year ended 31st March, 2007, reversed the adjustment to General Reserve and charge for all employee benefits booked in accordance with the Revised AS – 15 in the first three quarters of the year ended 31st March, 2007.
4. Pursuant to the notification of Companies (Accounting Standards) Rules 2006, during the quarter ended 30th June, 2007, the Company has recognised exchange differences (gain of Rs.13.60 crores) on borrowed funds and liabilities in foreign currencies for the acquisition of fixed assets in the Profit and Loss account [included under (Gain)/Loss on exchange (Net)] for the period, which hitherto were capitalised .
5. In respect of the Standby Charges dispute with Reliance Energy Ltd. (REL) for the periods from 1st April, 1999 to 31st March, 2004, the ATE has set aside the MERC Order dated 31st May, 2004 and directed the Company to refund to REL as on 31st March, 2004, Rs. 354 crores (including interest of Rs. 15.14 crores) and pay interest at 10% p.a. thereafter. As at 30th June, 2007 the accumulated interest was Rs.120.36 crores (31st March, 2007 - Rs. 117.56 crores)(including interest of Rs.15.14 crores mentioned above) (Rs. 2.80 crores for the quarter ended 30th June, 2007). On appeal, the Supreme Court vide its interim order dated 7th February, 2007, has stayed the ATE Order and in accordance with its directives, the Company has furnished a bank guarantee of Rs. 227 crores and also deposited Rs. 227 crores with the Registrar General of the Court, which has been withdrawn by REL on furnishing the required undertaking to the Court. The said deposit has been accounted as "Other Advances".
Further, no adjustment has been made for the reversal in terms of the ATE Order dated 20th December, 2006 of Standby Charges credited in previous years estimated at Rs. 519 crores and interest payable. The aggregate of Standby Charges credited in previous years and interest of Rs. 31 crores payable to MSEB, net of tax is estimated at Rs. 494.12 crores, which will be adjusted, wholly by a withdrawal / set off from certain Statutory Reserves as allowed by MERC. No provision has been made in the accounts towards interest that may be finally determined as payable to REL. However, since 1st April, 2004, the Company has accounted Standby Charges on the basis determined by the respective MERC Tariff Orders.
The Company is of the view, supported by legal opinion, that the ATE's Order can be successfully challenged and hence, adjustments, if any, including consequential adjustments to the Deferred Tax Liability Fund and the Deferred Tax Liability Account will be recorded by the Company on the final outcome.

6. In a matter pertaining to distribution rights, the ATE has passed an Order which is in appeal in the Hon'ble Supreme Court. The financial consequences of the ATE's Order have neither been quantified in the Order nor been ascertained by the Company. The Company is of the view, supported by legal opinion, that the ATE's Order can be successfully challenged and consequently, no provision is considered necessary.
7. The result for the three months ended 30th June, 2007 do not reflect the adjustments required to be made towards Statutory Appropriations for the year and the adjustment arising on review of annual performance as stipulated under the Tariff Regulations 2005, which will be made for the year as a whole. Accordingly, the results for the three months period are not representative of the annual performance.

(Promoters) towards issue of securities viz. 98,94,000 Equity Shares of Rs.10 each at a premium of Rs.577.08 per share and 1,03,89,000 Warrants on a preferential basis.
