

Notice regarding Biomass pellet firing

In compliance to Ministry of Power's notification 11/86/2017-Th.II dated 08th October 2021 regarding mandatory firing of Biomass pellet in all coal fired boiler. It is hereby notified that MPL with bowl mill is required to blend 5% of agro based biomass pellets in its boilers to comply to the notification.

Further CERC in its Suo moto order 12/SM/2019 dated 26.11.2019 has ordered that”

“Generator shall also inform beneficiaries about the time period during which it intends to co-fire bio-mass with coal by putting this information on its web-site. Representatives of the beneficiaries shall be allowed inspection during the period biomass is being co-fired. At the end of the time period during which bio-mass cofiring has been carried out, petitioner shall indicate the quantum of bio-mass fired and the energy generated from bio-mass based on the methodology specified above.”

In view of the above orders, Maithon Power would be blending agro based biomass pellets in its Unit #2 tentatively during the period 16.05.2022 to 21.05.2022. The beneficiaries are requested to inspect this operation of Maithon Power Limited.
