Dear Sirs,

**Tata Power's Maithon Power Plant honoured with NSCI Safety Award 2016
(Manufacturing Sector) in Power Generation**

Tata Power, India's largest integrated power company, has always been recognized for its excellence in operations. In continuation of this legacy, Tata Power's Maithon Power Limited (MPL), a 74:26 joint venture between Tata Power and DVC has been awarded the National Safety Council (NSC) 'SURAKSHA PURASKAR (Bronze Trophy) Award' in manufacturing sector (Power Generation) for the year 2016.

The award was declared by the National Safety Council (NSC). Tata Power's Maithon Power Limited is the only thermal power generation company to be rewarded amongst several other modes of power generating companies, recognizing its efficiency and excellence in operations.

The National Safety Council Award recognises the efforts of the industries in undertaking Occupational Safety and Health performance under OHSAS 18001 management systems. Maithon Power Limited is honoured with the SURAKSHA PURASKAR (Bronze Trophy) Award for implementing and following the best safety practices at its plant. The award further reinforces Tata Power's commitment towards safety in workplace.

The Press Release to be issued by the Company is attached for your ready reference.

Yours faithfully,
For The Tata Power Company Limited

(H. M. Mistry)
Company Secretary

**Tata Power's Maithon Power Plant honored with NSCI Safety Award 2016
(Manufacturing Sector) in Power Generation**

Dhanbad, January 18, 2017 - Tata Power, India's largest integrated power company, has always been recognized for its excellence in operations. In continuation of this legacy, Tata Power's Maithon Power Limited (MPL), a 74:26 joint venture between Tata Power and DVC has been awarded the National Safety Council (NSC) 'SURAKSHA PURASKAR (Bronze Trophy) Award' in manufacturing sector (Power Generation) for the year 2016.

The award was declared by the National Safety Council (NSC). Tata Power's Maithon Power Limited is the only thermal power generation company to be rewarded amongst several other modes of power generating companies, recognizing its efficiency and excellence in operations.

Commenting on the achievement, **Mr. K Chandrashekar, CEO & ED – MPL**, said, *"It is an honour to have been recognised and conferred with the Suraksha Puraskar (Bronze Trophy) by National Safety Council. Health & Safety remains a core value at MPL and we have always strived hard to achieve the highest standards of safety in every aspect of our operation. This award is a recognition for the hard work, dedication and diligence rendered by our team setting benchmarks for others to follow."*

The National Safety Council Award recognises the efforts of the industries in undertaking Occupational Safety and Health performance under OHSAS 18001 management systems. Maithon Power Limited is honoured with the SURAKSHA PURASKAR (Bronze Trophy) Award for implementing and following the best safety practices at its plant. The award further reinforces Tata Power's commitment towards safety in workplace.

About Tata Power:

Tata Power is India's largest integrated power company with a growing international presence. The Company together with its subsidiaries and jointly controlled entities has an installed gross generation capacity of 10496 MW and a presence in all the segments of the power sector viz. Fuel Security and Logistics, Generation (thermal, hydro, solar and wind), Transmission, Distribution and Trading. It has successful public-private partnerships in Generation, Transmission and Distribution in India namely "Tata Power Delhi Distribution Limited" with Delhi Vidyut Board for distribution in North Delhi, 'Powerlinks Transmission Ltd.' with Power Grid Corporation of India Ltd. for evacuation of Power from Tala hydro plant in Bhutan to Delhi and 'Maithon Power Ltd.' with Damodar Valley Corporation for a 1050 MW Mega Power Project at Jharkhand. Tata Power is serving more than 2.6 million distribution consumers in India and has developed the country's first 4000 MW Ultra Mega Power Project at Mundra (Gujarat) based on super-critical technology. It is also one of the largest renewable energy players in India with a clean energy portfolio of 3042 MW. Its international presence includes strategic investments in Indonesia through a 30% stake in the leading coal company PT Kaltim Prima Coal (KPC), 26% stake in mines at PT Baramulti Suksessarana Tbk ("BSSR"); in Singapore through Trust Energy Resources to securitize coal supply and the shipping of coal for its thermal power generation operations; in South Africa through a joint venture called 'Cennerg' to develop projects in sub-Sahara Africa; in Zambia through 50:50 joint venture with ZESCO for 120 MW Hydro which has become operational in 2016; in Georgia through AGL which is a joint venture with Clean Energy, Norway & IFC for

for immediate use **PRESS RELEASE**

development of 185 MW hydro project which is scheduled to be commissioned in 2016; in Australia through investments in enhanced geothermal and clean coal technologies and in Bhutan through a hydro project in partnership with The Royal Government of Bhutan. With its track record of technology leadership, project execution excellence, world class safety processes, customer care and driving green initiatives, Tata Power is poised for a multi-fold growth and committed to 'lighting up lives' for generations to come".
