Tata Power skill development institute wins accolades at the Indo Global Skill Summit and Expo 2017

~TPSDI won under the "Best Infrastructure" and "Training Excellence" categories ~

Mumbai, 2nd November ,2017: Tata Power, India's largest integrated power company, has always been a frontrunner for its exemplary performances across its verticals and locations. The Company has always laid special emphasis on skill development of its communities for their holistic development. The Company, over the years, have worked closely with its communities to ensure adequate training being provided to the youth of its communities for a brighter future. In recognition of the efforts, Tata Power skill development institute has been bestowed with two awards namely - "Best Infrastructure" and "Training Excellence" at the Global Skill Summit and Expo 2017

Commenting on the achievement, **Mr. Anil Sardana, CEO & MD, Tata Power** said, *"We, at Tata Power have always strived hard to empower our communities. The recognition achieved at the Indo Global Skill Summit and Expo 2017 bears the testimony to the efforts of Tata Power skill development institute in imparting quality education and training to the young minds of our communities. On behalf of Tata Power, we take this opportunity to congratulate each member of Tata Power Skill Development Institute for their efforts in providing state of the art infrastructure and training par excellence to the students that will help in shaping a successful career."*

TPSDI utilized the opportunity of participation at the Indo Global Skill Summit and Expo 2017 by putting up information kiosk which provided an excellent opportunity to interact with prospective trainees and educational institutes like ITIs and engineering colleges. The initiative paid dividends as the interactions paved way for several institutes to visit TPSDI training centres in Mumbai.

The Indo Global Skill Summit and Expo 2017 is organized by the Indus Foundation, which is a not-for-profit trust dedicated to the promotion of higher education in India. The Indus foundation is dedicated to assist institutions including Industrial training institutes, polytechnics, community colleges, technical colleges, vocational colleges, corporate trainers and skill providers in recruiting students and career aspirants.

About Tata Power:

Tata Power is India's largest integrated power company with a growing international presence. The Company together with its subsidiaries and jointly controlled entities has an installed gross generation capacity of 10501 MW and a presence in all the segments of the power sector viz. Fuel Security and Logistics, Generation (thermal, hydro, solar and wind), Transmission, Distribution and Trading. It has successful public-private partnerships in Generation, Transmission and Distribution in India namely "Tata Power Delhi Distribution Limited" with Delhi Government for distribution in North Delhi, 'Powerlinks Transmission Ltd.' with Power Grid Corporation of India Ltd. for evacuation of Power from Tala hydro plant in Bhutan to Delhi and 'Maithon Power Ltd.' with Damodar Valley Corporation for a 1050 MW Mega Power Project at Jharkhand. Tata Power is serving more than 2.6 million distribution consumers in India and has developed the country's first 4000 MW Ultra Mega Power Project at Mundra (Gujarat) based on super-critical technology. It is also one of the largest renewable energy players in India with a clean energy portfolio of 3180 MW. Its international presence includes strategic investments in Indonesia through a 30% stake in the leading coal company PT Kaltim Prima Coal (KPC), 26% stake in mines at PT Baramulti Suksessarana Tbk ("BSSR"); in Singapore through Trust Energy Resources to securitize coal supply and the shipping of coal for its thermal power generation operations; in South Africa through a joint venture called 'Cennerg' to develop projects in sub-Sahara Africa; in Zambia through 50:50 joint venture with ZESCO for 120 MW Hydro which has become operational in 2016; in Georgia through AGL which is a joint venture with Clean Energy, Norway & IFC for development of 187 MW hydro project and in Bhutan through a hydro project in partnership with The Royal Government of Bhutan. With its track record of technology leadership, project execution excellence, world class safety processes, customer care and driving green initiatives, Tata Power is poised for a multi-fold growth and committed to 'lighting up lives' for generations to come".
