Panchayat polls peaceful, 79% turnout

EXPRESS NEWS SERVICE
MUMBAI, JANUARY 15

POLLING IN 12,711 gram panchayats in 34 districts of Maharashtra were conducted in a peaceful manner on Friday with an estimated 79 per cent voter turnout. The polling, which continued from 7.30 am to 5.30pm all over, ended at 3 pm in two Naxal-hit districts of Gadchiroli and Gondia.

State Election Commissioner UPS Madan said that announcement for elections in 14,234 gram panchayats had been made on December 11. However, in some places, candidates were elected unopposed, necessitating elections in only 12,711 panchayats. The elections of 162 gram panchayats in the six talukas of Gadchiroli are slated for January 20.

The elections were by and large peaceful with Covid-19 protocols in place. The counting will take place on January 18. For the total 1,25,709 positions, over 3,56,221 nominations had been filed. Total 26,718 contestants were elected unopposed, while 2,14,880 candidates contested the poll.

Of the over 28,000, the elections to 14,234 gram panchayats in 34 districts of the state have been announced by the State Election Commission in early

Polling in progress at Navi Mumbai. Narendra Vaskar

December. The polls for 1,566 gram panchayats were to be held in March 2020 but were deferred due to the pandemic.

There are a total of 27,920 gram panchayats in Maharashtra. Therefore, today's elections, which account for 50 per cent of gram panchayats, are significant as it took place a year after the Maha Vikas Aghadi alliance assumed office in the state, relegating the BJP to the

Opposition.

Although gram panchayats are not contested on party symbols, strong political undercurrents were on play as political parties tried their best to build clout at the grassroots level.

A village with more than 500 residents can form a gram panchayat. Considered the third tier of governance, gram panchayat elections are held once in every five years.

At least 14 villages in Thane boycotted the elections as residents demanded their villages to be included in the Navi Mumbai Municipal Corporation.

Therefore, elections in five gram panchayats could not be held. The first half of the poll saw technical glitches in machines leading to delay of an hour in a few booths.

On Wednesday, the Election Commission cancelled polls to Umrane and Khondamali gram

panchayats in Nashik and Nandurbar districts over complaints about auction of posts of sarpanch and members of local bodies.

Social reformer Anna Hazare cast his vote in his native village Ralegansiddhi in Ahmednagar district. In a clear departure from politics of consensus, the village has been witnessing contests for past two elections.

Polling in Hiwrebazar village,

which took place after 30 years, was another highlight this time. The villagers enthusiastically made a beeline to exercise their franchise since morning.

Congress chief spokesperson Sachin Sawant said, "The gram panchayat polls will help the Congress regain its hold at the grassroots level. The BJP, which is fighting for survival, will be wiped out."

Unlike the recently contested graduates' and teachers' constituencies council polls, the Congress, NCP and the Shiv Sena contested separately this time. The results, therefore, will be a litmus test for Chief Minister Uddhav Thackeray and his party. In 2015, the BJP, under the leadership of then Chief Minister Devendra Fadnis, had a success rate of over 50 per cent in gram panchayat and sarpanch elections.

State BJP president Chandrakant Patil said, "The party's support base at the grassroots level will remain intact." However, a party general secretary said, "Generally, the results of gram panchayat elections favour the ruling party as voters depend on government funds for development in their respective villages. The BJP's target was to keep its rural base intact. What needs to be seen is whether the Sena can have an edge over the Congress and the NCP."

ED questions Eknath Khadse for six hours in Pune land deal case

EXPRESS NEWS SERVICE
MUMBAI, JANUARY 15

NCP LEADER Eknath Khadse was questioned for more than six hours by the Enforcement Directorate (ED) at its office in Mumbai's Ballard Pier on Friday in connection with a 2016 land deal in Pune.

Khadse, who arrived at the ED office around 11 am and left at 5.30 pm, told mediapersons: "They asked questions and I tried to give answers. Whatever documents or information they need, I will provide, and will appear before them again whenever they ask."

Police in large numbers were deployed outside the ED office and barricades were put up to avoid any gathering by

Khadse's supporters. Besides the Mumbai Police, personnel from the State Reserve Police Force were also deployed.

Khadse (68), who quit the BJP and joined the NCP last October, was summoned by the ED on December 30, 2020, in connection to the case. But he skipped appearance on the ground that he was quarantined due to Covid-19, and was given more time.

Khadse had resigned from then Devendra Fadnis-led Cabinet in 2016 after facing allegations that he misused his official powers to facilitate the purchase of government land in Bhosari near Pune by his family.

He had denied any wrongdoing and said the state Anti-Corruption Bureau as well as the income tax department had given him a clean chit.

EXPRESS NEWS SERVICE

Govt to spend Rs 2,500 crore on power infra development

EXPRESS NEWS SERVICE
MUMBAI, JANUARY 15

THE STATE energy department is set to spend Rs 2,500 crore per annum on infrastructure development of state-owned power distribution company Maharashtra State Electricity Distribution Company Limited (Mahavitaran). The decision is necessary to boost industrial development, Energy Minister Nitin Raut said on Friday.

Of the Rs 2,500 crore, around Rs 1,500 crore will be set aside for energisation of agriculture pumps and Rs 1,000 crore for strengthening infrastructure in industrial and urban areas.

This was decided in a meeting held between Raut and Mahavitaran officials on Thursday in Mumbai. The fund will be spent on infrastructure development, including erection of new sub-stations, installation of distribution transformers and construction of high-tension and low-tension wires.

"We will spend Rs 800 crore on power infrastructure development in Maharashtra Industrial Development Corporation areas in the next three years. Another Rs 1,000 crore will be spent on setting up new sub-stations, transformers and bifurcation of existing sub-divisions during this period. Besides, Rs 1,200 crore will be spent to strengthen power infrastructure in urban areas in three years," Raut told mediapersons on Friday.

He also directed Mahavitaran to regularise all unauthorised agriculture pump connections within a 30 m distance from electric supply poles. As per government estimates, there are 4.85 lakh unauthorised agriculture pump connections in the state. Of these, 30 per cent are located within 30 m from electric supply poles. "I have directed officials to regularise all these connections by March 31," Raut said.

Non-food credit growth at eight-month high of 6.53%

FE BUREAU
Mumbai, January 15

THE GROWTH IN non-food credit rose to an eight-month high of 6.53% year-on-year (y-o-y) during the fortnight ended January 1, from 6.03% in the previous fortnight. The last time non-food credit grew faster was during the fortnight ended April 24, 2020.

As on January 1, outstanding non-food credit stood at ₹106.12 lakh crore, showed data released by the Reserve Bank of India (RBI). Deposits with banks stood at ₹147.27 lakh crore, up 11.48% y-o-y. The credit-deposit ratio was 72.06%.

Most large banks have been saying that they are seeing a pick-up in economic activity and expect that to translate into higher loan growth, largely on the back of housing

loans. Some private banks have also reported a strong growth in advances during Q3 ahead of their financial results.

After State Bank of India's (SBI) Q2FY21 results, chairman Dinesh Kumar Khara had said that the bank was expecting an 8-9% credit growth in

FY21 because economic activity had gathered pace. "We have already seen the growth as far as our book is concerned. We have seen growth of about 6% till September 30. Hopefully, with the unlocking happening, we should be in a position to reach better than 8%," he observed.

For both public-sector banks (PSBs) and private banks, much of the fresh lending in the last few quarters has been in the government segment as also in gold loans. The emergency credit line guarantee scheme (ECLGS) has also helped step up loan sanctions to small enterprises. The RBI's trend and progress report said that credit expansion was at a higher pace among PSBs during March, June and September, 2020 quarters, after three consecutive quarters of deceleration. Lending in rural areas

has been a bright spot for banks in FY21. "Although the share of rural credit in the total has been hovering between 8 and 9%, its growth surpassed that of other categories in 2019-20, after a gap of four years," the central bank said.

Analysts also expect loan growth in Q3 to have been robust on the back of festive demand and the government's credit guarantee scheme for small businesses.

In a results preview, analysts at Axis Securities said, "Overall, we estimate business growth to recover, aided by pent up demand, a good festive season, and expect systemic loan growth for FY21 to pick-up from its lows." At the same time, whether the recovery in credit demand sustains through Q4FY21 remains to be seen.

Sebi gives some relaxation with regard to LODR compliance

PRESS TRUST OF INDIA
New Delhi, January 15

AMID THE SITUATION arising out of the COVID-19 pandemic, Sebi on Friday provided relaxation to companies from compliance with certain provisions of Listing Obligations and Disclosure Requirements (LODR) Regulations.

Sebi provided relaxations after the Ministry of Corporate Affairs (MCA) came up with circulars in December 2020 and January 2021, extending certain relaxations for companies. New BRSR format to bring in more transparency: Tyagi

SEBI ON FRIDAY said the proposed format for business responsibility and sustainability reporting (BRSR) for listed companies will bring in greater transparency through disclosure of material ESG (environmental, social, governance)-related information.

At a meeting with industry leaders, Sebi chairman Ajay Tyagi said such disclosures are pertinent to both investors and other stakeholders.

Under the proposal, the new BRSR format covering ESG perspective would be applicable for the top 1,000 listed entities by market capitalisation.

Tyagi said, "The proposed format for BRSR aims at bringing in greater transparency through disclosure of material ESG-related information that would allow market participants to identify and assess sustainability-related risks and opportunities." —PTI

ations in respect of sending physical copies of annual report to shareholders and requirement of proxy for general meetings held through electronic mode are extended for listed entities till December 31, 2021, Sebi said.

"The circular shall come into force with immediate effect," Sebi said.

LODR norms prescribe that a listed entity shall send a hard copy of the statement containing salient features of all the documents to the shareholders who have not registered their email address, and hard copies of full annual reports to those shareholders who request for it.

Besides, the regulations also specify that the listed entity shall send proxy forms to holders of securities in all cases mentioning that a holder may vote either for or against a resolution.

The shares sought were 522.89% of the overall issue size on the final day of bidding, according to provisional data available on the bourses.
