# Sebi slaps ₹15-cr penalty on Franklin's officials, trustee

Press Trust of India  
New Delhi, June 14

**SEBI ON MONDAY** imposed a penalty totalling ₹15 crore on senior officials of Franklin Templeton AMC and its trustee for violating regulatory norms in the case of winding up of six debt schemes in 2020. However, a spokesperson of Franklin Templeton said they disagree with the findings in Sebi's order and intend to file an appeal with the Securities Appellate Tribunal (SAT).

A fine of ₹3 crore has been levied on Franklin Templeton Trustee Services and ₹2 crore each on Franklin Asset Management (India) president Sanjay Sapre and its chief investment officer Santosh Kamat, according to the Sebi order.

In addition, the regulator imposed a penalty of ₹1.3 crore each on fund managers — Kunal Agrawal, Pallab Roy, Sachin Padwal Desai and Umesh Sharma — as well as former fund manager Sumit Gupta. Besides, a ₹50-lakh penalty has been levied on chief compliance officer

Saurabh Gangrade

They have been directed to pay the penalty within 45 days. Sebi noted that the trustees of Franklin Templeton Mutual Fund (MF) and these officials failed to adopt certain lapses in the functioning of the mutual fund. "The acts and deeds committed by them while discharging their duties are not in the interest of the unitholders in specific and the investors in general," Sebi said in its 151-page order.

According to the regulator, the officials did not exercise proper due diligence while discharging their responsibilities at the relevant time and violated the regulatory requirements, which hampered the interest of the unitholders.

On the trustees, Sebi said, "Evidences available do not indicate actions/directions to establish that the Trustees had exercised high standards of service, exercised due diligence, ensure proper care and exercised independent professional judgment to address these risks."

"For a fund house which has been in this industry in India for over two-and-a-half decades, it is surprising that its systems to monitor and manage critical risks like liquidity, credit and concentration are less than robust. The effectiveness of these systems stand compromised in the process of the notice's single minded pursuit of reaping high yield," Sebi said.

# Shriram Transport Finance raises ₹2,000 crore via QIP

FE BUREAU  
Chennai, June 14

**SHRIRAM TRANSPORT FINANCE COMPANY (STFC)** has raised ₹1,998.98 crore through qualified institutional placement (QIP) of equity shares.

The company, which had launched its QIP on June 7, 2021, received 6.3x oversubscription. The QIP was priced at ₹1,430 per share, representing a discount of 0.23% to the Sebi floor price of ₹1,432. Several FII and DII participated in the QIP, according to a press release.

The book running lead managers to the issue were ICICI Securities, JP Morgan India, Axis Capital, Citigroup Global Markets and HSBC Securities and Capital Markets (India).

The board had also approved on June 7 a preferential issue of ₹500 crore, equally split between equity shares and convertible warrants to the promoter, Shriram Capital, at the issue price of ₹1,440 per security.

Umesh Revankar, vice chairman and MD of Shriram Transport Finance Company, said: "We are delighted by the response and participation by the global and domestic investor communities in STFC's QIP. We believe that the 6.3x oversubscription and successful closure without much discount is a testament to the value of our franchise and its attractive growth prospects in long-term. The QIP proceeds will augment the company's long-term resources for funding require-

ments of business activities, financing future growth opportunities and general corporate purposes."

STFC is part of Chennai-based business conglomerate Shriram Group which has strong presence in financial services, including consumer finance, life insurance, general insurance, stock broking and distribution of financial products/businesses.

It has pan-India presence with 1,817 branches as of March 31, and manages assets of over ₹1,17,200 crore and has a customer base exceeding 21 lakh.

### LAILA KHAN MURDER

## Court rejects accused's plea for trial before same judge

EXPRESS NEWS SERVICE  
MUMBAI, JUNE 14

IN THE case of the alleged murderers of actor Laila Khan and five of her family members, a sessions court on Monday rejected an application by the accused seeking to continue trial before the same judge, who has heard most of the witnesses including the investigating officer.

The judge was recently transferred to hear civil matters. The accused, Parvez Tak, filed a plea before the Principal Judge of the Mumbai City Civil and Sessions Court seeking that the same judge continues hearing the trial, which is now at its final end.

The alleged murderers took place in 2012 in a farmhouse in Igatpuri near Nashik. The case has been pending since, with 41 witnesses have deposed so far, including the partial testimony of the investigating officer.

Tak, through his lawyer Wajah Khan, filed the plea stating that to resume the trial before another judge will prolong the case, which is already pending for nearly 10 years. The application also said that he has been in jail for the whole trial period and any further delay will cause him to remain in custody.

The court said that since the judge has already been assigned with civil matters, the case can be heard before the new judge.

In 2011, a complaint was filed at the Oshiwara police station by Laila's father, Nadir Patel, who informed the police that his entire family had been missing. Apart from Laila, her mother Shehina, elder sister, Azmina, twin siblings Zara and Imran and cousin Reshma, had been missing. A year later, police claimed to have recovered their bodies from a farmhouse and arrested Khan's stepfather, Tak for the murder.

## BMC to deploy barges with trash brooms in rivers, nullahs

### Steps taken to prevent garbage from floating into sea

LAXMAN SINGH  
MUMBAI, JUNE 14

THE BRIHANMUMBAI Municipal Corporation (BMC) will purchase nine barges equipped with trash brooms, which will be deployed in rivers and large nullahs across Mumbai, to prevent debris from floating into the sea.

The barges will be put into use in nine rivers and nullahs for now, an official said, adding the initiative will be expanded to cover more water bodies in the future.

Debris floating into the sea is a major menace for the city as not only does it lead to pollution, the sea regurgitating the trash on the beaches during monsoon poses another problem for the civic body.

A proposal for procuring the specialised barges will be tabled before the Standing Committee for final approval on Wednesday. The project, which includes supply, installation and maintenance of the system for three years, will cost the BMC Rs 48 crore. For the purpose, the BMC has finalised a contractor — Virgo Specialties

The sea regurgitating the trash on the beaches during monsoon also poses a problem for BMC. File

Private Limited — which has a tie-up with a Denmark-based company for the supply of the barges.

The locations the BMC has identified for the purpose include Gashdar Bandh Nalla, Main Avenue Nalla, Mogra Nalla, Oshiwara river, Poisar river, Dahisar river, Valoka river, Mithi river (near Maharashtra Nature Park) and BKC bridge.

"This is the first time we are installing barges equipped with trash brooms in major nullahs and rivers. The project was planned about two years back

but somehow, it did not take off. The idea is to prevent floating garbage from entering the sea. During monsoon and high tide, tonnes of garbage is thrown back by the sea on the beaches, and Marine Drive. Every year we face a lot of problems due to this," said a senior official from the Storm Water Drain department who is involved in the project.

Earlier in 2018, a trash broom was installed at Irla Nullah in Andheri east. In 2017, the National Green Tribunal (NGT) had asked the civic body to take steps to stop pollution in the 178-km long coastline. In the recent order, on October 14, 2020, the NGT asked the BMC to ensure all the floating materials were arrested before entering the sea.

Under the project, the trash removed from the water bodies will be transported and dumped at designated sites. "If this goes well, we will install more such trash brooms. In many cases, anullahs (considered) cleaned as silt is removed, but floating materials, mostly thrown by people, give an impression of it not being cleaned," said a BMC official.

## More Malad bakeries under NCB radar for selling weed-laced brownies, 'raids soon'

EXPRESS NEWS SERVICE  
MUMBAI, JUNE 14

NARCOTICS CONTROL Bureau (NCB) has found more such bakeries in Malad area, where it had raided a bakery that was allegedly producing brownies laced with cannabis.

The agency arrested two persons in connection with the raid on Saturday and, on Sunday, it arrested a person allegedly supplying marijuana to the couple baking these cakes.

The couple were receiving orders from several customers to bake these brownies, officials said.

"The supplier, Jagat Chaurasia, was produced before the court on Monday and sent to NCB custody for two days," said a bureau official.

The official added, "We have received an input that apart from the bakery we raided, there are other bakeries in the area involved in baking these brownies. We will be making more such raids in the coming days."

Officials said 820 gm edibles in the form of weed brownies were seized from the bakery of Oriem in Malad. The agency also arrested the couple involved in running the bakery, they added.
