Explanatory Statement of material facts pursuant to Sections 102 and 110 of the Companies Act, 2013 (the "Act")

The following statement sets out all the material facts relating to the resolution to be passed as mentioned in the accompanying Notice:

1. The Board of Directors of The Tata Power Company Limited (the "**Company**"), on 12th August 2020, had approved the Composite Scheme of Arrangement amongst Coastal Gujarat Power Limited ("**CGPL**") and Tata Power Solar Systems Limited ("**TPSSL**") and The Tata Power Company Limited and their respective shareholders, under Sections 230 to 232 read with Section 52 and other applicable provisions of the Companies Act, 2013 ("**Composite Scheme**"). CGPL and TPSSL are hereinafter collectively referred to as "**Transferor Companies**".
2. Since, the Composite Scheme involved reorganization of capital of the Company, an application under Regulation 37 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time, was filed by the Company with BSE Limited ("**BSE**") and National Stock Exchange of India Limited ("**NSE**"). The Company received the requisite observation letters dated 19th October 2020 and 20th October 2020 from BSE and NSE, respectively.
3. Pursuant to the directions of the Hon'ble National Company Law Tribunal, Mumbai Bench ("**Tribunal**") vide its order dated 5th January 2021, a meeting of the Equity Shareholders of the Company ("**Equity Shareholders**") was held on 16th February 2021, to approve the Composite Scheme. The requisite majority in number representing more than three-fourth in value of the Equity Shareholders had approved the Composite Scheme.
4. However, in recent months, there have been numerous favourable policies of the Government of India, to promote and encourage entities engaged in solar manufacturing including production linked incentive scheme to manufacture high efficiency solar PV modules and also, imposition of basic customs duty on import of solar cells/modules, etc. to scale up domestic solar manufacturing including exporting solar cells/modules. TPSSL is in the solar manufacturing business and the abovementioned government policies will help TPSSL further expand its existing manufacturing capacities to avail these benefits/incentives and create more shareholder value to the Company and its shareholders. Therefore, it was felt that it would be commercially prudent and desirable by the Board of Directors of the Company as well as the Transferor Companies, to keep TPSSL as a separate entity and let it continue as a wholly owned subsidiary of the Company, rather than merging it with the Company as envisaged under the Composite Scheme.
5. On account of the abovementioned reasons, the Board of Directors of the Company as well as the Transferor Companies, at their respective meetings held on 1st July 2021, have decided to amend the Composite Scheme and withdraw the amalgamation of TPSSL with the Company and accordingly, approved/noted the amendment to the Composite Scheme, subject to the approval of the Hon'ble Tribunal and regulatory authorities, as may be required. The Composite Scheme, as amended, deals with removal of the provisions pertaining to amalgamation of TPSSL with the Company and consequential changes or effect thereupon ("**Amended Composite Scheme**"). A copy of the Amended Composite Scheme is annexed herewith and marked as '**Annexure A**'.
6. Thus, the Amended Composite Scheme (post exclusion of TPSSL), will now comprise the amalgamation of CGPL with the Company and consequential capital reorganisation of the Company. Further, pursuant to the Amended Composite Scheme, no consideration will be discharged either in the form of shares or otherwise, by the Company to CGPL, being a wholly owned subsidiary of the Company. Thus, there is no valuation exercise to be undertaken in relation to the Amended Composite Scheme and, therefore, there will also be no requirement for obtaining fairness opinion.
7. Pursuant to the Amended Composite Scheme, the rights of Equity Shareholders will not be adversely impacted as even currently, the financial accounts of CGPL and TPSSL (being wholly owned subsidiaries of the Company) are consolidated with the Company, and the Amended Composite Scheme will not impact the financial position of the Company. Further, TPSSL would continue to remain a wholly owned subsidiary of the Company.
8. The Company as well as the Transferor Companies have also made requisite filings in relation to the Amended Composite Scheme before the Hon'ble Tribunal through affidavits and also filed a Company Application bearing No. CA. 239/2021 ("**Company Application**") seeking amendment to the Company Scheme Petition bearing No. CP (CAA) No. 42/MB-IV/2021 ("**Company Scheme Petition**"), *inter alia*, by deleting TPSSL from the array of parties and make consequential amendments to the Company Scheme Petition, including putting on record the Amended Composite Scheme. The Company Application was allowed by the Hon'ble Tribunal vide order dated 6th October 2021. As such, the Company Scheme Petition has been amended, *inter alia*, removing TPSSL as a party to the Company Scheme Petition and placing on record the Amended Composite Scheme. Further, the Hon'ble Tribunal vide its orders dated 6th October 2021, in connection with the abovementioned Company Application and the Company Scheme Petition, respectively ("**Tribunal Orders**") also has directed the Company to seek approval of the Equity Shareholders with respect to the Amended Composite Scheme.

9. Further, in terms of paragraph 11 of Part A of Part I of the SEBI Master Circular No. SEBI/HO/CFD/DIL1/CIR/P/2020/249 dated December 22, 2020 (“**SEBI Master Circular**”), the Company had submitted the Amended Composite Scheme to SEBI for its consideration. SEBI, vide its letter dated 30th August 2021, has noted the Amended Composite Scheme and requested to place the same before the Hon’ble Tribunal.
10. Further, the Company confirms that notice of the Amended Composite Scheme is also being served on all concerned authorities in terms of the Tribunal Orders.
11. The Company will obtain all approvals as stated in clause 19 (Conditions Precedent) of the Amended Composite Scheme, in order to give effect to the said scheme.
