

## INDEPENDENT AUDITOR'S REPORT

**TO THE MEMBERS OF TP AKKALKOT RENEWABLE LIMITED**

**Report on the Audit of the Ind AS Financial Statements**

### **Opinion**

We have audited the accompanying Ind AS Financial Statements of **TP AKKALKOT RENEWABLE LIMITED ("the Company")**, which comprise the Balance sheet as at 31<sup>st</sup> March 2022, the Statement of Profit and Loss (including other comprehensive income), the Statement of change in Equity and the Cash Flow Statement for the year then ended and notes to the Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013, as amended (the "Act") in the manner so required and give a true and fair view in conformity with the accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March 2022, its Profit, comprehensive Income, change in equity and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current year. These matters were addressed, in the context of our audit of the financial statement as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have not determined any key audit matters.

### **Information Other than the Ind AS Financial Statements and Auditor's Report Thereon**

The company's Board of Directors is responsible for the other information. The other information obtained at the date of this auditor's report is other information included in Board of Directors Annual Report including Annexures to such report but does not include the Ind AS Financial Statements and our Auditor's Report thereon.

Our opinion on the Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, change in equity and cash flows of the Company in accordance with Ind AS and other accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures, and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonable knowledgeable user of the Ind AS Financial Statements may be influenced. We consider quantitative materiality and quantitative factors in (i) planning the scope of our audit work in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of change in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.
  - d) In our opinion, the aforesaid Ind AS Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls with respect to Ind AS Financial Statements, refer to our separate Report in 'Annexure A'.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended;

In our opinion and to the best of our information and according to the explanations given to us, the company has not paid any managerial remuneration to its directors during the year and hence reporting under this clause is not applicable.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

**ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE IND AS FINANCIAL STATEMENT OF TP AKKALKOT RENEWABLE LIMITED**

(Referred to in our report of even date)

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **TP AKKALKOT RENEWABLE LIMITED ("the Company")**, as of 31 March 2022 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

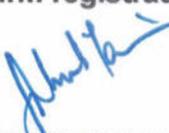

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**“ANNEXURE B” TO THE INDEPENDENT AUDITORS’ REPORT**

(Referred to in paragraph 1 under paragraph “Report on Other Legal and Regulatory Requirements” of the Independent Auditors’ Report of even date to the standalone financial statement of the Company for the year ended 31<sup>st</sup> March, 2022)

1. According to the information and explanations given by the management and audit procedures performed by us, the Company does not have fixed Assets, property plant and equipment and immovable property during the period and as at the reporting date and accordingly, the requirements under paragraph 3(iXa), (b) and (c) of the Order are not applicable to the Company.
2. The Company's business does not involve inventories and, accordingly, the requirements under paragraph 3(ii) of the Order are not applicable to the Company.
3. According to the information and explanations given to us and audit procedures performed, the Company has not made investments, provided any guarantee or security or granted loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the provisions of clause 3(iiiXa), to (f) of the Order are not applicable to the Company and hence not commented upon.
4. In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees, and securities given in respect of which provisions of section 185 and 186 of the Companies Act 2013 are applicable and hence not commented upon.
5. The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
6. To the best of our knowledge and as explained, the Central Government has not specified the maintenance of cost records under Section 148(1) of the Companies Act, 2013, for the products of the Company.
7. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including provident fund, employees’ state insurance, income tax, Goods and Service Tax, cess and other material statutory dues, as applicable, with the appropriate authorities.  
  
(b) According to the information and explanations given to us and the records of the Company examined by us, there is no, undisputed amounts payable in respect of provident fund, employees’ state insurance, income tax, Goods and Service Tax, cess and other material statutory dues, as applicable were in arrears as at 31<sup>st</sup> March 2022 for a period of more than six months from the date they became payable.

8. According to the information and explanations given to us and the records of the Company examined by us, there are no transactions recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
9. The Company did not have any outstanding loans or borrowing dues in respect of a financial institution or bank or to government or dues to debenture holders during the period. Accordingly, the provisions of clause 3(ix) (a) to (e) of the Order are not applicable.
10. According to the information and explanations given by the management and audit procedures performed, the Company has not raised any money way of initial public offer / further public offer / debt instruments and term loans hence, reporting under clause (ix) is not applicable to the Company and hence not commented upon.
11. Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the company or no fraud on the company by the officers and employees of the Company has been noticed or reported during the period.
12. In our opinion, the Company is not a Nidhi Company as defined under section 406(1) of the Act. Therefore, the provisions of clause 3(xii) of the Order are not applicable to the company and hence not commented upon.
13. According to the information and explanations given by the management, transactions with the related parties are in compliance with section 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of Section 177 of Companies act, 2013 is not applicable to the Company and accordingly report under clause 3(xiii) in so far it relates to Section 177 of the Companies Act, 2013 is not applicable to the company and hence not commented upon.
14. According to the information and explanations given by the management, Internal Audit is not conducted during the year since the same is not applicable to the company.
15. According to the information and explanations given by the management and audit procedures performed by us, the Company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of Companies Act, 2013.
16. According to the information and explanation given to us by the management, the Group has five CICs which are registered with the Reserve Bank of India and 1.CIC which is not required to be registered with the Reserve Bank of India.

17. According to the information and explanations given to us and audit procedures performed by us, the company has incurred Cash losses of Rs. 14.46 lakhs during financial year and Rs. 0.71 lakhs in immediately preceding financial year.
18. According to the information and explanations given to us and audit procedures performed by us, there is no resignation of the statutory auditors during the year, Accordingly, the provisions of clause 3(xii) of the Order are not applicable to the company.
19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
20. According to the information and explanations given to us and audit procedures performed by us, Provisions of section 135 of the Companies Act is not applicable to the company. Accordingly, the provisions of clause 3(xx) of the Order are not applicable to the company.
21. According to the information and explanations given to us and audit procedures performed by us, No qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO) reports of the companies included in the consolidated financial statements.

**TP Akkalkot Renewable Ltd**  
**Notes Forming part of IND AS Financial Statements**

**1. Corporate information:**

TP Akkalkot Renewable Limited is incorporated on 11th August, 2020 under the Companies Act, The principal business of the Company is to engage in the business of power generation, including captive power generation and sale of electrical energy.

Its registered office is at The Tata Power Company Ltd , Corporate Center, 34, Sant Tukaram Road, Carnac Bunder, Mumbai-400009.

**2. Significant accounting policies**

**2.1 Statement of compliance**

The IND AS financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with section 133 of the Companies Act, 2013 (as amended from time to time).

**2.2 Basis of preparation and presentation**

The IND AS Financial Statements have been prepared using accrual basis of accounting and on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

**3. Other Significant Accounting Policies**

**3.1 Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is treated as current when it is:

- expected to be realised or intended to be sold or consumed in normal operating cycle,
  - held primarily for the purpose of trading,
  - expected to be realised within twelve months after the reporting period, or
  - cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the
- All other assets are classified as non-current.

A liability is current when:

- it is expected to be settled in normal operating cycle,
- it is held primarily for the purpose of trading,
- it is due to be settled within twelve months after the reporting period, or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

The Company has identified twelve months as its operating cycle.

**TP Akkalkot Renewable Ltd**  
**Notes Forming part of IND AS Financial Statements**

**3.2 Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities measured at fair value through profit or loss are recognised immediately in the statement of profit and loss.

**Effective interest method**

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

**3.3 Financial Assets**

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

**3.4 Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost using the effective interest rate method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**3.4.1 Financial assets at fair value through other comprehensive income (FVTOCI)**

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition, the Company makes an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Equity Instruments through Other Comprehensive Income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the equity investment classified as FVTOCI.

*[Handwritten signature]*

### 3.4.2 Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Other financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in the statement of profit and loss

### 3.4.3 Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- the right to receive cash flows from the asset have expired, or
- the Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its right to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

### 3.4.4 Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

## 3.5 Financial liabilities and equity instruments

### 3.5.1 Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

### 3.5.2 Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

### 3.5.3 Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in statement of profit and loss when the liabilities are derecognised as well as through the Effective Interest Rate (EIR) amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

### 3.5.4 Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

### 3.5.5 Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 - 'Financial Instruments' and the amount recognised less cumulative amortisation.

## 4. Critical accounting estimates and judgements

In the application of the Company's accounting policies, management of the Company is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the Standalone Ind AS financial statements.

7. Cash and Cash Equivalents

Accounting Policy

Cash and cash equivalents in the balance sheet comprise cash at banks and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. Cash and cash equivalents include balances with banks which are unrestricted for withdrawal and usage.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consist of cash at banks and short-term deposits, as defined above, net of outstanding bank overdraft as they are considered an integral part of the Company's cash management.

**19. Earnings Per Share:**

**Accounting Policy**

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the Ind AS financial statements by the Board of Directors.

	For the year ended 31st Mar, 2022	For the period ended 31st Mar, 2021
<b>Basic earnings per share</b>		
Loss for the year/ period (₹ Lakhs)	(14.46)	(0.71)

The weighted average number of equity shares for basic earnings per share (Nos.)	1,29,60,000	50,000
Par value per share (in ₹)	10.00	10.00
<b>Basic earnings per share (in ₹)</b>	<b>(0.11)</b>	<b>(1.42)</b>
<b>Diluted earnings per share (in ₹)</b>	<b>(0.11)</b>	<b>(1.42)</b>

**20. Segment Disclosures**

The Company has determined its operating segment as generation and selling of solar power, based on the information reported to the chief operating decision maker (CODM) in accordance with the requirements of Indian Accounting Standard 108- 'Operating Segment Reporting', notified under the Companies (Indian Accounting Standards) Rules, 2015(as amended). All the Company's resources are dedicated to this single segment and all the discrete information is available for this segment. All non-current assets of the Company are located in India. There is no revenue during the year.

**TP Akkalkot Renewable Ltd**  
**IND AS Balance Sheet as at 31st March, 2022**

**21 Financial Instruments**

**21.1.1 Liquidity Risk Management**

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities. The company has access to a sufficient variety of sources of funding.

The maturity profile of the Company's financial liabilities based on contractual undiscounted payments are listed below:

Expected maturity for Financial Liabilities					<i>Amount in ₹ Lakh</i>	
	Up to 1 year	2 to 5 years	5+ years	Total	Carrying Amount	
<b>31st March, 2022</b>						
Trade Payables	1.52	-	-	1.52	1.52	
Other Financial Liabilities	3,468.32	-	-	3,468.32	3,468.32	
<b>31st March, 2021</b>						
Trade Payables	0.35	-	-	0.35	0.35	
Other Financial Liabilities	-	-	-	-	-	

The amounts included above for variable interest rate instruments for non-derivative liabilities is subject to change if changes in variable interest rates differ to those estimates of interest rates determined at the end of the reporting year.

**21.1.2 Fair Value Measurement:**

The carrying value of financial instruments by categories as of 31st March, 2022 is as follows:

Particulars	<i>Amount in ₹ Lakh</i>				
	Fair Value through Profit and Loss	Fair Value through OCI	Amortised Cost	Total Carrying Value	Total Fair Value
<b>Assets :</b>					
Cash and Cash Equivalents	-	-	66.91	66.91	66.91
<b>Total</b>	-	-	66.91	66.91	66.91
<b>Liabilities</b>					
Trade Payables	-	-	1.52	1.52	1.52
Other Financial Liabilities	-	-	3,468.32	3,468.32	3,468.32
<b>Total</b>	-	-	3,469.84	3,469.84	3,469.84

**TP Akkalkot Renewable Ltd**  
**IND AS Balance Sheet as at 31st March, 2022**

The carrying value of financial instruments by categories as of 31st March, 2021 is as follows:

Particulars	Fair Value through Profit and Loss	Fair Value through OCI	Amortised Cost	Total Carrying Value	Total Fair Value
Assets :					
Cash and Cash Equivalents	-	-	1,280.18	1,280.18	1,280.18
<b>Total</b>	<b>-</b>	<b>-</b>	<b>1,280.18</b>	<b>1,280.18</b>	<b>1,280.18</b>
Liabilities					
Trade Payables	-	-	0.35	0.35	0.35
Other Financial Liabilities	-	-	-	-	-
<b>Total</b>	<b>-</b>	<b>-</b>	<b>0.35</b>	<b>0.35</b>	<b>0.35</b>

The management of the company consider that the carrying amount of the financial assets and financial liabilities at amortised cost approximate their fair value.

22 Financial Ratios

Sl No	Ratios	Numerator	Denominator	As at 31st March, 2022	As at 31st March, 2021	% of Variance	Reason for Variance
a)	Current Ratio (Refer Note i)	Currents Assets	Current Liabilities	0.02	3,284.05	(100)	There is decrease in current ratio due to change in current year due to increase in capital creditors.
b)	Debt-equity ratio (Refer Note ii)	Total Debt	Total Equity	-	-	-	Since there is no borrowings so debt equity ratio has not been computed.
c)	Debt service coverage ratio (Refer Note iii)	Profit before Tax + Interest expenses including interest expense on lease payments + Depreciation and amortisation expenses	Interest expenses including interest expense on lease payments + Repayment of Non-current borrowings	-	-	-	Since there is no borrowings so Debt service coverage ratio has not been computed.
d)	Return on equity ratio (Refer Note iv)	Net Profit after taxes	Average Shareholder's Equity	-0.01	0.00	924	The change is due to increase in expenses in FY22 and increase in average shareholder's equity
e)	Inventory turnover ratio	Cost of goods sold	Average Inventories	-	-	-	Since there is no inventory so inventory turnover ratio has not been computed
f)	Trade receivables turnover ratio (Refer Note v)	Revenue from operations	Average trade receivable	-	-	-	Since there is no revenue from operations so net capital turnover ratio has not been computed
g)	Trade payables turnover ratio (Refer Note vi)	Net credit Purchases	Average trade payable	15.47	4.06	281	There is increase in trade payable ratio due to better working capital management in current year as compared to previous year
h)	Net capital turnover ratio (Refer Note vii)	Net Sales	Working Capital	-	-	-	Since there is no revenue from operations so net capital turnover ratio has not been computed
i)	Net profit ratio	Net Profit after taxes	Revenue from operations	-	-	-	Since there is no revenue from operations so net profit ratio has not been computed
j)	Return on capital employed (Refer Note viii)	Earning before interest and taxes	Capital Employed	-0.01	0.00	924	The change is due to increase in expenses in FY22 and increase in average shareholder's equity
k)	Return on investment (Refer Note ix)	Interest Income+Dividend Income+ Gain of fair value of Investment	Average Investment+Fixed Deposit+Loans Given	-	-	-	Since there is no return on investment so return on investment ratio has not been computed

Formula used to compute ratios

i) Current Ratio = Current Assets/ Current Liabilities

ii) Debt Equity Ratio = Total Debt / Net worth

Total debt includes Long term borrowings (including current maturities of long term borrowings), lease liabilities (current and non current), short term borrowings and interest accrued on debts and lease liabilities.

Net worth includes Issued share capital and other equity

iii) Debt service coverage ratio = (Profit before Tax + Interest expenses including interest expense on lease payments + Depreciation and amortisation expenses) / (Interest expenses including interest expense on lease payments + scheduled principal repayment of Non-current borrowings)

Scheduled principal repayment of long term borrowings does not include prepayments (including prepayment by exercise of call/put option), further repayment through refinancing is included in schedule repayment

iv) Return on equity = Net Profit after taxes/ Average Shareholder's Equity

Net Profit: Profit for the year attributable to owners of the Company and Average Shareholder's Equity: Average of opening and closing balance of Total Equity

Total Equity: Issued share capital and other equity

v) Trade receivables turnover ratio = Revenue from operations/ Average trade receivables and unbilled revenue

vi) Trade payables turnover ratio = Net credit purchases/ Average trade payable

Net credit purchases consist of other expenses excluding

a) Bad debts (including provision)

b) Net loss on foreign exchange

c) CSR expenses

d) Loss on Disposal of Property, Plant and Equipment

Trade Payable as per balance sheet less employee related trade payables

vii) Net capital turnover ratio = Net Sales/ Working capital

Net sales shall be calculated as total revenue from operations. Working capital shall be calculated as current assets minus current liabilities

viii) Return on capital employed= Earning before interest and taxes / Average Capital employed

Earning before interest and taxes means Profit before tax plus interest expense

Average Capital Employed: Total equity + Total Debt + Deferred Tax Liability

Total Debt: Long term borrowings (including current maturities of long term borrowings), lease liabilities (current and non current), short term borrowings and interest accrued on debts

Total Equity: Issued share capital, other equity

ix) Return on investment = (Interest income + Dividend income + Gain on fair value of current investment at FVTPL)/ Average of (Investment + Fixed deposit+ Loans Given)

Interest Income: Interest on bank deposits + Interest on non-current investment + Interest on loans given to subsidiaries

Dividend Income from subsidiaries

Investment: Includes Non-current Investment + Current Investment + Fixed deposit+ Loan Given
