

## Corrigendum - 2

**The Tata Power Company Limited Invites Tenders** (Two-Part Bidding Process), from interested and eligible Vendors for the following Works required for its various Transmission Receiving Stations.

### **A. Summary of the tendered packages:**

<b>Tender Enquiry No.</b>	<b>Work Description</b>	<b>EMD (Rs.)</b>	<b>Tender Participation Fee (Rs.)</b>	<b>Last date and time for Payment of Tender Participation Fee*</b>
CC26PRD029	CC26PRD021_Supply & Supervisory services of 4 no's of 10MVAR, 22kV & 1 Nos of 15MVAR, 33KV Capacitor bank at Various RSS, Mumbai.	1,90,000/-	Rs. 2,000/-	1500 Hrs. 18 <sup>th</sup> May 2026

**Interested bidder is strongly advised not to wait by above time and purchase the tender immediately to get the link for bid submission. This will enable them to communicate/raise queries against the subject tender in time.**

For additional technical details and Pre-qualification criteria for the subject works please refer section C below.

### **B. Guidelines for Participating:**

Interested and eligible vendors can participate by submitting the following up to 1500 hours on **Thursday – 18<sup>th</sup> May 2026**.

1. Payment of non-refundable Tender Fee, as indicated in table above to be paid by direct deposit in following bank account

Beneficiary Name – The Tata Power Co. Ltd.

Bank Name – HDFC Bank Ltd.

Branch Name – Fort Branch, Mumbai

Address – Maneckji Wadia Building, Nanik Motwani Marg, Fort, Mumbai 400023.

Branch Code – 60

Bank & Branch Code – 400240015

Account No – 00600110000763

Account type – CC

IFSC Code – HDFC0000060

2. Submission of duly signed and stamped Authorization Letter indicating name of authorized person, contact number and e-mail id (mandatory) on Vendor's letterhead. The letter shall also mandatorily include payment details of Tender fee and Tender Reference no**CC26PRD029**.

Authorization Letter along with proof of submission of tender fee should be e-mail to **Ms. Priyanka Devkar** ([Priyanka.devkar@tatapower.com](mailto:Priyanka.devkar@tatapower.com)) and copy to **Ms. Vaishali Kachare** ([vaishali.Kachare@tatapower.com](mailto:vaishali.Kachare@tatapower.com))

**Note:** - Once the above-mentioned documents are received, detailed RFP shall be issued through our e-tender system.

3. It is clarified that Bid Guarantee/EMD as mentioned in section “A” above, is not required to be submitted at this stage, and it will be required to be submitted in the form of Bank guarantee at the time of Bid Submission.

**C. Addition technical details: Prequalification Criteria (Technical & Commercial):**

Pre-qualification Requirement Criteria			
1	2	3	4
S No	Parameter	Tata Power Requirement	Documents To be submitted by Vendor to ascertain meeting of Pre-qualification requirement
1	Infrastructure	Bidder must be OEM for the Capacitor Unit System. Bidders should have Factory / Assembly Unit in India with facility for Routine Testing. Factory / Assembly Unit will be inspected by Tata Power Cross Functional Team (CFT) and acceptance will be at sole discretion of Tata Power.	Self-undertaking to be submitted in this regard. Tata Power reserves the right to inspect the said manufacturing facility as a proof of compliance to this parameter.
2	Supply and Experience	<p>The bidder should have supplied a minimum of 08 nos. of capacitor banks of 15 MVAR or higher rating at 33 kV or above voltage level. Out of these, at least 02 nos. of capacitor banks should have been in satisfactory commercial operation for a minimum period of 02 years as on the scheduled date of bid opening.</p> <p>“In case the bidder has a previous association with Tata Power for similar products and services, the performance feedback for that bidder by Tata Power shall only be considered irrespective of performance certificates issued by any other organization. Technical performance, delivery timelines, service and support records of past executed projects in Tata Power will be considered for technical evaluation of bidder.”</p> <p>Indian Subsidiaries of global companies having plant in India are also eligible to bid if the qualification requirements stated above are met independently or in combination with the parent company. Declaration from parent company needs to be submitted.</p>	<p>Supply List &amp; Performance Certificates from the utilities / clients</p> <p>Self-undertaking to be submitted in this regard. TATA Power reserves the right to inspect the said manufacturing facility as a proof of compliance to this parameter.</p>
3	Type Test	<p>The bidder shall submit Type test reports obtained from NABL/ International Accredited Lab for the equipment / material offered. The type tests should have been conducted on the equipment / material of the same design.</p> <p>The type tests should have been conducted within 5 years prior to the date of bid opening. Time period for type test may be extended by another 5 years as a special case, if there is no change in design / material of construction (MOC). Full set type test reports shall be submitted without requirement of any non disclosure agreement.</p>	<p>Type Test Report.</p> <p>Undertaking that there is no change in design / material of construction (MOC) if Type Test Report older than 5 years but less than 10 years prior to date of bid opening has to be considered (if applicable)</p>

		In case the type test reports furnished are not for the quoted equipment / material but for the equipment / material with higher voltage class and/or different capacity, then type test shall be carried out for the offered equipment / material from NABL / International Accredited Lab without any cost implication to the owner and the Type Test reports shall be submitted before dispatch of the equipment / material.	Lab without any cost implication to the owner and the Type Test reports shall be submitted before dispatch of the equipment / material, in case type test reports furnished are not for the quoted equipment / material but for the equipment / material with higher voltage class and/or different capacity, (if applicable)
4	Commercial Capability	Average Annual Turnover of the bidder for last 03 years shall not be less than INR 2 Crore.	Copy of audited Balance Sheet and P&L Account to be submitted in this regard.

**Note:**

1) The Prequalification Criteria published along with the tender "In Section C.1 Techno-Commercial PQR" is the total & complete pre-qualification requirement for the tender and shall prevail over any other/additional pre-qualification requirement mentioned elsewhere in the tender.

2) Tata Power reserves the right to review and approve / reject the Bidder based on Document Submission.

3) In case the bidder has a previous association with any of the Tata Group companies for similar products and services, the performance feedback for that bidder by Tata Group companies shall only be considered for evaluation, irrespective of performance certificates issued by any third organization."

Above Pre-qualification details need not be submitted at this stage. These shall be required to be submitted along with bid submission. At this stage, Interested Vendors who fulfill above criteria need to participate in tender by paying tender fee and submitting authorization letter as detailed in section "B" above.

**D. Price Bid Format: (BOM)**

**1.Location – Badlapur**

Sr. No.	Description	Quantity	UOM
1	Design, engineering, manufacture, factory testing, packaging, route survey, transport, delivery to site 2 nos 22kV, 10MVAR, 50Hz, 3-phase complete set of capacitor bank as per specifications consisting of following:		
1.1	Capacitor units as per the OEM design.	2	EA

1.2	Copper wound, current limiting series reactor	12	Nos
1.3	Neutral current transformer	2	Nos
1.4	Voltage transformer	6	Nos
1.5	Lightning arrester	6	Nos
1.6	Adequate quantity of Interconnecting Copper Bus bar, copper flexible conductor along with its respective clamps, connectors, support insulators and post insulators.	1	EA
1.7	The adequate quantity of the Structural steel with hot dipped galvanization, foundation and fixing bolts and nuts, clamps and any other material required for successful commissioning of complete set of capacitor bank	1	EA
	<b>SPARES</b>		
1	Capacitor units	4	Nos
2	Neutral current transformer	1	Nos
3	Support insulators	1	Nos
4	Post insulators	1	Nos
5	Lightning Arrester	1	Nos
6	Voltage Transformer	1	Nos
	<b>SERVICES</b>		
1	Supervisory services during unloading, handling, shifting, erection, installation, testing & commissioning of capacitor bank and its associated equipment's at its designated location	30	Man-days

## 2. Location - Dharavi

Sr. No.	Description	Quantity	UOM
1	Design, engineering, manufacture, factory testing, packaging, route survey, transport, delivery to site 1 nos 22kV, 10MVAR, 50Hz, 3-phase complete set of capacitor bank as per specifications consisting of following:		
1.1	Capacitor units as per the OEM design.	1	EA
1.2	Copper wound, current limiting series reactor	6	Nos
1.3	Neutral current transformer	1	Nos
1.4	Voltage transformer	3	Nos
1.5	Lightning arrester	3	Nos

1.6	Adequate quantity of Interconnecting Copper Bus bar, copper flexible conductor along with its respective clamps, connectors, support insulators and post insulators.	1	EA
1.7	The adequate quantity of the Structural steel with hot dipped galvanization, foundation and fixing bolts and nuts, clamps and any other material required for successful commissioning of complete set of capacitor bank	1	EA
	<b>SPARES</b>		
1	Capacitor units	4	Nos
