CORRIGENDUM NOTICE

Tender Title: Transportation of Coal from Northern Coalfields Limited (NCL) to PPGCL Bara Site through Road-Cum-Rail (RCR) Mode

Tender Reference No.: CC-FY27-KS-PPGCL-Coal Logistics-RCR-Sept'26

With reference to the advertisement published on **24th September 2026** in newspapers and on the Tata Power's website inviting Expressions of Interest (EOI) from eligible bidders for participation in the above-mentioned tender, the Technical Pre-Qualification Criteria (PQR) is hereby revised as follows:

Revised Technical Pre-Qualification Criteria (PQR)

1. The bidder must have executed a minimum cumulative quantity of **16 Lakh MT of coal transportation through Road-Cum-Rail (RCR) mode from NCL to thermal power plants** during the period from **1st April 2023 to 31st August 2026**. The stipulated quantity may be achieved through a single work contract or multiple work contracts.

Only experience pertaining to power plants shall be considered for meeting the above qualification criterion. Eligible experience shall include work executed for Central/State Government Gencos, other Government-owned Gencos, Independent Power Producers (IPPs), and Captive Power Plants (CPPs).

Revised Bid Submission Deadline

The last date and time for submission of bids shall be **26th October 2026 up to 11:00 AM**.

Bidders who have already submitted their EOI via email and their bids through Ariba are not required to resubmit the same. Their bids shall be evaluated in accordance with the revised Technical Pre-Qualification Criteria specified above.

All other terms and conditions of the original EOI/tender shall remain unchanged.
