Table 1 - Tender Summary

Package Details	Tender Fee	Bid Security
Supply and Refurbishment of SWAS (Steam & Water Analysis System) low level Sodium Analyzer in three units	INR 2000/- (INR Two Thousand Only). <i>To be submitted along with EOI.</i>	INR 50000 /- (INR fifty thousand Only). <i>Bid Security to be submitted as a Bank Guarantee or RTGS or Demand Draft at the BID stage and not with EOI</i>

1. INTRODUCTION:

The Tata Power Company Limited (TPCL) is among the largest private sector Power Utility companies in India with presence in Generation, Transmission and Distribution of Power through conventional and renewable sources.

Mundra Thermal Power Station (A Tata Power Division) has implemented the 4150 MW UMPP near the port city of Mundra in the state of Gujarat in India. This UMPP is India's first 830 MW unit thermal power plant using supercritical technology. MTPS operates on imported coal on pulverized coal-based boiler technology. The generating plant is in Tunda village of Mundra district in the state of Gujarat, India.

The tendering activities for this Project are being managed from Tata Power's following Office:

The Tata Power Company Limited,
Mundra Thermal Power Station - Ultra Mega Power Plant,
(Formerly a Unit of Coastal Gujarat Power Limited),
Tunda-Vandh Road, Tunda Village, Mundra, Kutch 370 435, Gujarat.

2. SCOPE OF WORK:

The brief scope of work shall comprise of complete Design, Supply and Commissioning assistance” at site for “Replacement of existing ABB make SWAS low level Sodium Analyzers in 3 units – Control & Instrumentation Maintenance” Detailed Technical details & BoQ for this Contract shall be provided in the Tender / RFQ document to all potential buyers submitting the valid BID with due tender fees1. Testing & Commissioning

Detailed Technical details & BOQ shall be provided in the Tender / RFQ document to all potential bidders submitting the valid EOI with tender fees within deadline of submission.

4. BIDDER PRE-QUALIFICATION REQUIREMENTS:

Interested parties to note that Bidder shall be required to fulfill the following bidder pre-qualification requirement / criteria to qualify for the subject work. Bidder will be required to submit relevant supporting documents to demonstrate their qualification during the bid submission stage against Tender document / RFQ and bidders not found meeting the pre-qualification requirements given below will be disqualified from the tender.

4.1 TECHNICAL REQUIREMENT:

Bidder must have the criteria mentioned in technical PQR which is shown below

S. No	Particular
1	The Bidder must have at least 08 years of experience of Supply & Maintenance of C&I Systems in Supercritical Thermal Power Plant and shall take single point responsibility for execution of the activities within the plant area as specified in the job scope document. Documentary evidence (viz. copy of P.O and/or other documents of last minimum 08 years) to establish that, the service provider has required experience of not less than minimum eight years in Design, supply and post commissioning services in Data Logger system in -Instrumentation Maintenance.
2	The Bidder must have experience & expertise in SWAS Sodium Analyzers of Instrumentation systems of >800 TPH Boiler (preferably pulverised coal corner fired boilers) and Turbine of 250 MW or more for at least 8 years and show certificates bearing the same. Documentary evidence (viz. Performance Certificate from reputed power utilities / Other Peer) to establish that the Tenderer is competent.
3	The Bidder must submit at least three current references (PO Copies) of the similar jobs taken up in last 08 years. Documentary evidence (viz. copy of P.O and/or other documents of last minimum 10 years).

4	The Bidder should have manpower with experience of handling Plant Analyzer System. Documentary evidence to establish the fact that the bidder has adequate capability (viz. Performance certificate, Rewards & Recognitions on subject matter)
5	The Bidder must have hands on experience in SWAS Sodium analyzer activities of Instrumentation Maintenance Department including emergency handling under the guidance of Engineer/ In charge Documentary evidence for well established, prompt service-support facility.
6	Notwithstanding anything stated above, the employer reserves the right to assess the capabilities and capacity of bidder to perform the contract, should the circumstances warrant such assessment in the overall interest of the Employer.
7	The Tata Power Company reserves the right to reject any or all bids or cancel/withdraw the invitation for bids without assigning any reason whatsoever and in such case no bidder/intending bidder shall have any claim arising out of such action.

4.2 FINANCIAL REQUIREMENT:

Bidder / Tenderer should have minimum Average Annual Turn-over of Rs. 75 Lakhs (Indian Rupees seventy-Five Lakhs) during last 3 financial years (**Attach Certificate from Chartered Accountant in this regard**)

It may be noted that the above requirements are minimum qualification criteria. However, Tata Power reserves its right to further assess the capabilities of the parties and reserves its rights to further shortlist, accept or reject any party without assigning any reason.

5. BID SECURITY / EMD:

Interested parties to note that Bidder will be required to furnish a Bid Security along with their Bid, in the format prescribed in Bid Document **in the form of Bank Guarantee or Demand Draft or RTGS**, for an amount as defined in the covering page of this notice document. Bids not accompanied by an acceptable Bid Security shall be rejected by the Owner as being non-responsive and returned to the bidder without being opened.

Interested parties to note that Bid Security is not required with the EOI and it is required to be submitted with the Bid only during Bid Submission stage once RFQ is released to the interested parties that have submitted a valid EOI.

6. BIDDING PROCESS:

Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties that submitted a valid EOI as per terms mentioned in this document.

Bidder to note that commercials for subject tender may be conducted through e-auction. Detailed bidding and auction process shall be detailed in the RFQ / tender document
