1. INTRODUCTION:

The Tata Power Company Limited (TPC) is among the largest private sector Power Utility companies in India with presence in Generation, Transmission and Distribution of Power through conventional and renewable sources.

The tendering/ procurement activities for this Project are being managed from Tata Power’s following Office:

The Tata Power Company Limited,
Trombay Thermal Power Station,
Corporate Contracts,

5th Floor, Station B, Chembur-Mahul,
Mumbai 400074, Maharashtra, India.

2. BRIEF SCOPE OF WORK:

This Notice is for inviting Expression of Interest for Outline Agreement for Supply and replacement of control system for AMC services for Preventive maintenance of Fire alarm and detection system at Trombay Generating Station for 3 years.

The job to be carried out by the contractor against this enquiry, covers regular/periodical checking and testing of various types of fire detection and fire protection systems installed at site as well as carrying out repairs as and when required for maintaining all the systems in perfectly working condition.

Other Requirements:

- Contractor should ensure maintenance of fire alarm and Detection systems as per schedule given by Fire Department. In addition to this contractor has to rectify daily defects of the systems on priority basis.
- Attending & rectification of fire alarm system cable, panel, monitor modules, detectors & MCP and other fire alarm system related defects within 24 hours from receipt of defect from Tata Power.
- Checking and maintenance of all the batteries installed for fire Detection systems shall be undertaken by the contractor regularly and proper working condition of the batteries shall be regularly ensured.
- After completion of all monthly, quarterly, half yearly checks, etc. on every system (area wise), the contractor shall submit a summery status report, bring out details of the checks done, rectification of defects carried out if any and status of the system to Tata Power on monthly basis.
- Contractor should regularly maintain record of all above mentioned checking/testing/maintenance of the said system in Soft and Hard copy and submit the detailed report on monthly basis to Tata Power.

Detailed Scope of Work for this Contract shall be provided in the Tender / RFQ document to all potential buyers submitting the valid EOI with due tender fees.

3. TENDER FEE & TIMELINES:

a) Interested parties meeting the "Bidder Pre-Qualification Requirements" specified under point no. 4 in this document can request tender document and participate in the bidding process by submitting the Expression of Interest (EOI) Letter along with the Tender Fee Payment Details to the contact details mentioned below not later than deadline specified below. Request for extension of EOI submission date will not be entertained.

b) Interested bidders should submit the Expression of Interest (EOI) letter and tender fee payment details to below mentioned email addresses:
