Prayagraj Power Generation Company Limited invites Expression of Interest (EOI) from interested parties for the e-Tendering Process of following Work Package: -

Procurement of Vacuum Pump Assy

For detailed information and guidelines to participate in the bidding, please refer to subsequent pages.

1. INTRODUCTION

Prayagraj Power Generation Company Limited (PPGCL) owns and operates 3x660 MW capacity Indian coal based thermal power generation station based on pulverized coal-based super-critical boiler technology. The generating plant is in Tehsil Bara, Dist.-Prayagraj in the state of Uttar Pradesh in India. A brief overview of Owner and Site is given below.

Table 1

Site Name	3 X 660 MW Prayagraj Power Generation Company Limited
Owner	PRAYAGRAJ POWER GENERATION COMPANY LIMITED (PPGCL)
Site Location	PPGCL site is in Bara Tehsil in Prayagraj District, Uttar Pradesh. Site is at distance of about 34 KM from Prayagraj town in the district of Prayagraj. Latitude and Longitude of site is 25.200 N and 81.660 E respectively. The site is well connected by rail (nearest railway station is Lohgara on the Mumbai-Prayagraj route) and road (located on NH35).
Elevation Above Mean Sea Level	98 m above Mean Sea Level
Access to Site	Plant is located on National Highway NH 35. Bamrauli Airport, Prayagraj is the nearest airport which is about 55 KM from Site.

2. Procurement of Vacuum Pump Assy:

PPGCL intends to award the contract for **Procurement of Vacuum Pump Assy for the Ash Handling Plant**. The objective of this EOI is to invite competent business associates having the relevant experience in the similar work.

3. CONTROLLING AUTHORITY for this Tendering Process

The tendering process/ procurement activities for this work package will be driven and controlled by:-

Department of Fuel, Contracts & Materials
Administrative Building
Prayagraj Power Generation Company Limited,
P.O. Lohgara, Tehsil: Bara, Prayagraj (Allahabad),
Uttar Pradesh – 212107, India

4. SCOPE OF WORK

Procurement of Vacuum Pump Assy.

Detailed Scope of Work and Terms & Conditions for this Tender/ Contract shall be provided in the Tender/RFQ document to all bidders having expressed their interested by submission of EOI and tender fee as per the process defined in this document at later pages.

5. BIDDER PRE-QUALIFICATION CRITERIA

Interested parties must note that Bidder shall be required to fulfil the following bidder pre-qualification criteria to qualify for the work package. Bidder shall be required to submit relevant supporting documents to substantiate their qualification during the bid submission stage against Tender document/RFQ.

5.1 Technical Requirement

- 5.1.1 The bidder must either be an independent supply agency meeting our technical requirements or must have an established tie-up with an OEM/OES that has experience in the manufacturing of Stainless Steel (SS) Vacuum Pump Assemblies.
- 5.1.2 Bidders who meet the above criteria must provide documentary evidence of supplying SS Vacuum Pump Assemblies. PPGCL is seeking suitable vendors who are capable of manufacturing SS Vacuum Pump Assemblies.
- 5.1.3 This procurement process is being initiated for the purpose of fitment and replacement of existing/old pumps.
- 5.1.4 The vendor must possess expertise and experience in casting and fabrication work and must have in-house precision machining facilities. The vendor should also maintain proper test setups and arrangements at their works for conducting quality checks.
- 5.1.5 Interested vendors may submit an Expression of Interest (EoI) along with their company profile, detailing their experience and credentials in manufacturing SS Vacuum Pump Assemblies for 500 MW and above capacity boilers. The profile should also include compliance with our technical requirements, established tie-ups with boiler OEMs/OES, details of infrastructure, current product portfolio, business volumes, and related information. Vendors may contact PPGCL for further discussions.
- 5.1.6 The vendor must have the complete set of design documents, manufacturing drawings, and technical documentation for the SS Vacuum Pump Assembly.

5.2 Financial Requirement

- 5.2.1 Bidder shall have during the last three financial years an Average Annual Turn Over of not less than INR 300 lakhs.
- 5.2.2 Bidder shall have Working Capital adequacy of at least INR 60 Lakh for sustaining operations. Bidder to provide evidence (in form of credit limit / bank solvency certificate/ bank sanction letter etc.)
- 5.2.3 Bidder should share copies of their profit and loss account and audited Balance sheet for the last three preceding financial years along with the Bid Document. In cases, where audited results for the last preceding financial year are not available, certification of financial statements from a practicing Chartered Accountant shall also be considered acceptable.

Notes for financial requirements:

- a) Bidder should be an independent company, a proprietorship firm, a partnership firm, or a combination of above in form of Joint venture Company, registered as per Companies Act. Bidder to share relevant details of the bidding entity.

- b) Bidder should share Certified copy of Income TAX, Audited Financial Statements of the 3 preceding FYs, PAN, GST/ Other Taxes Duties Certificate and EPF registration (or undertaking in case not applicable) issued by competent authority.

It must be noted that the above requirements are minimum qualification criteria. However, PPGCL reserves its right to further assess the capabilities of the parties and reserves its rights to further shortlist, accept or reject any party without assigning any reason thereof. The tender may be split in among more than one parties at the discretion of Owner.
