## 4. SCOPE OF WORK

### **Service contract for the Garbage Waste Disposal from PPGCL Township.**

Detailed Scope of Work and Terms & Conditions for this Tender/ Contract shall be provided in the Tender/RFQ document to all bidders having expressed their interested by submission of EOI and tender fee as per the process defined in this document at later pages.

## 5. BIDDER PRE-QUALIFICATION CRITERIA

Interested parties must note that Bidder shall be required to fulfil the following bidder pre-qualification criteria to qualify for the work package. Bidder shall be required to submit relevant supporting documents to substantiate their qualification during the bid submission stage against Tender document/RFQ.

### 5.1 Technical Requirement

- i. The agency shall deploy a dedicated covered vehicle for daily collection of segregated biodegradable and non-biodegradable municipal solid waste from all designated collection points within the PPGCL Township and Guest House premises and transport the same to its authorized waste processing facility.
- ii. The agency shall provide one competent driver and one helper with each deployed vehicle.
- iii. The agency shall ensure that all collected waste is processed only at an authorized waste processing facility in compliance with applicable statutory requirements. Monthly documentary evidence/certificate indicating the quantity of waste received and processed shall be submitted to PPGCL.
- iv. The agency shall provide certificate of waste received and processed per month.
- v. The agency shall supply compost generated from PPGCL's biodegradable waste free of cost as per the agreed terms and conditions. Each supply shall be accompanied by a quantity measurement slip/weightment record, which shall be jointly verified by PPGCL and the agency's representative.
- vi. The agency shall obtain and maintain all statutory approvals, authorizations, permits, licences, and registrations required for transportation, processing, and disposal of municipal solid waste. The agency shall be solely responsible for compliance with all applicable environmental and legal requirements.
- vii. Waste shall be transported only in covered, leak-proof vehicles to prevent littering, spillage, foul odour, dust emission, and leakage during transportation.
- viii. The agency shall comply with all applicable Safety, Health, Environment (SHE), Security, and Entry Protocols of PPGCL. All deployed personnel shall wear appropriate PPE, including reflective jackets, gloves, safety shoes, and masks while performing the work.
- ix. The agency shall maintain daily records of waste collected, transported, and processed.

## 5.2 Financial Requirement

The bidder should have a minimum average annual turnover of Rs. 0.50 Crore during the last three financial years. FY 23-24, FY 24-25, FY25-26.-(FY 25-26 Can be considered If any Vendor have the audited Financial) It may be noted that the above requirements are minimum qualification criteria. However, PPGCL reserves its right to further assess the capabilities of the parties and reserves its rights to further shortlist, accept or reject any party without assigning any reason. The tender may be split in more than one parties at the discretion of Owner.
