1. INTRODUCTION:

Prayagraj Power Generation Company Limited (PPGCL) owns and operates a **3 × 660 MW** Indian coal-based thermal power station based on **pulverized coal, super-critical boiler technology**, located at **Tehsil Bara, District Prayagraj, Uttar Pradesh, India**.

As per the **MoEF&CC Gazette Notification dated 7th December 2015** (and subsequent amendments), installation of **wet limestone-based Flue Gas Desulphurization (FGD) systems** is mandatory for controlling SO₂ emissions. In compliance with the above notification, PPGCL is in the process of commissioning FGD systems at its plant.

Gypsum is generated as a by-product during the desulphurization of flue gas in the FGD process.

PPGCL (Seller/Owner) intends to **sell the gypsum generated (Approx.....MT) from its FGD units** at rates discovered through **open competitive tendering**.

Tata Power Company Limited, on behalf of PPGCL, hereby invites **Expression of Interest (EOI)** from **reputed and experienced cement manufacturers, gypsum-based industries, and traders** for the **Subject tender** .

2. SCOPE OF WORK:

The brief scope of work under the proposed contract shall include the following:

- a) Gypsum shall be offered by PPGCL (Seller) on an **As is where is & As Available** basis.
- b) The Buyer shall take delivery of gypsum from PPGCL's designated delivery point on an **"As Is Where Is"** basis through its own / self-arranged transportation, including **loading, covering, and all other allied activities** at the plant premises.
- c) The **entire supply chain and logistics arrangement**, from the delivery point at PPGCL up to delivery at the designated end-use location, including transportation and all associated activities, shall be in the scope of the Buyer.
- d) Compliance with all applicable **environmental laws, pollution control norms, and statutory regulations** related to transportation and utilization of gypsum shall be the sole responsibility of the Buyer. Responsibility for **end-use compliance** shall also lie entirely with the Buyer.

The **detailed scope of work, technical specifications, and terms & conditions** shall be provided in the Bid Documents (RFQ stage), which shall be issued to interested parties upon submission of a **valid EOI** along with the **prescribed Tender Fee**.
