1. INTRODUCTION:

The Tata Power Company Limited (TPCL) is among the largest private sector Power Utility companies in India with presence in Generation, Transmission and Distribution of Power through conventional and renewable sources.

Mundra Thermal Power Station (A Tata Power Division) has implemented the 4150 MW UMPP near the port city of Mundra in the state of Gujarat in India. This UMPP is India's first 830 MW unit thermal power plant using supercritical technology. MTPS operates on imported coal on pulverized coal-based boiler technology. The generating plant is in Tunda village of Mundra district in the state of Gujarat, India.

The tendering activities for this Project are being managed from Tata Power's following Office:

The Tata Power Company Limited,
Mundra Thermal Power Station - Ultra Mega Power Plant,
(Formerly a Unit of Coastal Gujarat Power Limited),
Tunda-Vandh Road, Tunda Village,
Mundra, Kutch 370 435, Gujarat.

d. **Expression of Interest letter to be submitted along with tender fee payment details should include the following details:**

- A covering letter duly stamped and signed by an authorized signatory clearly indicating the Tender Reference number and your EOI to participate in the tendering process.
- Tender fee payment details / reference number (ensure that tender fee is received by us within specified deadline)
- Bidder to indicate authorized person name, contact number and e-mail id (mandatory) of the person to whom RFQ / tender and all other communications to be addressed for this tender.

e. Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties submitting a valid EOI as per the terms mentioned in this document.

4. BIDDER PRE-QUALIFICATION REQUIREMENTS:

Interested parties to note that Bidder shall be required to fulfill the following bidder pre-qualification requirement / criteria to qualify for the subject work. Bidder will be required to submit relevant supporting documents to demonstrate their qualification during the bid submission stage against Tender document / RFQ and bidders not found meeting the pre-qualification requirements given below will be disqualified from the tender.

4.1 TECHNICAL REQUIREMENT:

1. Eligibility Criteria:

The bidder shall be an Original Equipment Manufacturer (OEM) of multistage centrifugal pumps or an authorized dealer/representative of the OEM. In case of an authorized representative, a valid authorization certificate from the OEM shall be submitted.

2. Experience

- The bidder/OEM shall have a minimum of 10 years' experience in the design, manufacture, supply, testing, and commissioning of multistage centrifugal pumps.
- The OEM shall have successfully supplied and commissioned similar pumps for industrial applications such as, power plants, oil & gas, petrochemical, water treatment, or process industries.
- The bidder shall have executed at least two (2) similar orders during the last three (3) years, each having a value of not less than 80% of the estimated tender value.

3. Material Requirements

- Pump wetted parts shall be manufactured from Duplex Stainless Steel as specified.
- Material Test Certificates (EN 10204 Type 3.1 or equivalent) shall be furnished for major pressure-containing components.
- Material traceability shall be maintained.

4. Documentation

The bidder shall submit:

- General Arrangement (GA) drawings
- Cross-sectional drawings
- Performance curves
- Datasheets
- Installation, Operation & Maintenance (IOM) Manuals
- Recommended spare parts list

5. Service Support

- The bidder shall provide qualified service engineers for installation supervision and commissioning.
- Six (6) man-days of deputation for installation and commissioning shall be included.
- Service personnel shall have prior experience in commissioning similar pumps.

6. Warranty

- Minimum 18 months from supply or 12 months from commissioning, whichever occurs first.
- The warranty shall cover defects in design, materials, workmanship, and manufacturing.

7. Spare Parts Availability

The OEM shall guarantee the availability of spare parts for a minimum period of 10 years from the date of supply.

4.2 FINANCIAL REQUIREMENT:

Bidder / Tenderer should have minimum Average Annual Turn-over of Rs. 60 Lakhs (Indian Rupees Sixty Lakhs) during last 3 financial years i.e., FY 2023-24, FY 2024-25, FY 2025-26. (Attach Certificate from Chartered Accountant in this regard)

It may be noted that the above requirements are minimum qualification criteria. However, Tata Power reserves its right to further assess the capabilities of the parties and reserves its rights to further shortlist, accept or reject any party without assigning any reason.

5. BID SECURITY / EMD:

Interested parties to note that Bidder will be required to furnish a Bid Security along with their Bid, in the format prescribed in Bid Document **in the form of Bank Guarantee or Demand Draft or RTGS**, for an amount as defined in the covering page of this notice document. Bids not accompanied by an acceptable Bid Security shall be rejected by the Owner as being non-responsive and returned to the bidder without being opened.

Interested parties to note that Bid Security is not required with the EOI and it is required to be submitted with the Bid only during Bid Submission stage once RFQ is released to the interested parties that have submitted a valid EOI.

6. BIDDING PROCESS:

Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties that submitted a valid EOI as per terms mentioned in this document.

Bidder to note that commercials for subject tender may be conducted through e-auction. Detailed bidding and auction process shall be detailed in the RFQ / tender document.
