1. INTRODUCTION:

The Tata Power Company Limited (TPCL) is among the largest private sector Power Utility companies in India with presence in Generation, Transmission and Distribution of Power through conventional and renewable sources.

Mundra Thermal Power Station (A Tata Power Division) has implemented the 4150 MW UMPP near the port city of Mundra in the state of Gujarat in India. This UMPP is India's first 830 MW unit thermal power plant using supercritical technology. MTPS operates on imported coal on pulverized coal-based boiler technology. The generating plant is in Tunda village of Mundra district in the state of Gujarat, India.

The tendering activities for this Project are being managed from Tata Power's following Office:

The Tata Power Company Limited,
Mundra Thermal Power Station - Ultra Mega Power Plant,
(Formerly a Unit of Coastal Gujarat Power Limited),
Tunda-Vandh Road, Tunda Village, Mundra, Kutch 370 435, Gujarat.

- 2. SCOPE OF WORK:** The successful bidder shall be responsible for the **Supply, installation, testing & commissioning of 2 nos of 100 TR water-cooled screw chiller** at MTPS, Gujarat.

The scope of work shall include, but not be limited to, the following:

1. Supply of an industrial-grade DM Water Chiller complete in all respects.
2. Installation, testing, and commissioning of the chiller at MTPS, Gujarat.
3. Supply of the first fill of refrigerant and lubricating oil.
4. Supply of the controller, control panel, and all associated instrumentation, accessories, and interconnecting components required for safe and reliable operation.
5. Inspection and testing of the complete equipment at the manufacturer's works before dispatch.
6. Suitable export/long-distance transport-worthy packing, loading, transportation, unloading, and delivery at MTPS, Gujarat.
7. Installation, alignment, testing, commissioning, and demonstration of satisfactory performance at site.
8. Supply of all standard accessories, consumables, and hardware necessary for complete installation and successful operation..

Detailed Technical details & BOQ shall be provided in the Tender / RFQ document to all potential bidders submitting the valid EOI with tender fees within deadline of submission.

3. TENDER FEE & TIMELINES:

- a. Interested parties meeting the "Bidder Pre-Qualification Requirements" specified under point no. 4 in this document can request tender document and participate in the bidding process by submitting the Expression of Interest (EOI) Letter along with the Tender Fee Payment Details to the contact details mentioned below not later than the deadline specified below. Request for extension of EOI submission date will be not entertained.

Deadline for tender fee payment and submission of EOI:	20th July 2026

d. **Expression of Interest letter to be submitted along with tender fee payment details should include the following details:**

- A covering letter duly stamped and signed by an authorized signatory clearly indicating the Tender Reference number and your EOI to participate in the tendering process.
- Tender fee payment details / reference number (ensure that tender fee is received by us within specified deadline)
- Bidder to indicate authorized person name, contact number and e-mail id (mandatory) of the person to whom RFQ / tender and all other communications to be addressed for this tender.

e. Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties submitting a valid EOI as per the terms mentioned in this document.

4. BIDDER PRE-QUALIFICATION REQUIREMENTS:

Interested parties to note that Bidder shall be required to fulfill the following bidder pre-qualification requirement / criteria to qualify for the subject work. Bidder will be required to submit relevant supporting documents to demonstrate their qualification during the bid submission stage against Tender document / RFQ and bidders not found meeting the pre-qualification requirements given below will be disqualified from the tender.

4.1 TECHNICAL REQUIREMENT:

- A. The bidder shall have successfully supplied and commissioned at least five (05) complete sets of water-cooled chillers, each having a capacity of 100 TR or higher, during the last five (05) years ending on the date of bid opening.
- B. The bidder shall possess adequate manufacturing, testing, inspection, and quality control facilities for the design, manufacture, and testing of water-cooled chillers to ensure product quality, performance, and reliability.
- C. The bidder shall have a minimum of six (06) years' experience in the design and manufacture of water-cooled chillers as on the date of bid opening.
- D. The bidder shall submit a reference list of projects executed during the last three (03) years, meeting the above criteria. The list shall include:
 - a. Name and location of the customer
 - b. Brief description of the project
 - c. Chiller capacity and specifications
 - d. Year of supply and commissioning
- E. The bidder shall furnish copies of purchase orders, work completion certificates, commissioning certificates, or client performance certificates in support of the above qualifying requirements. Failure to submit adequate documentary evidence may result in rejection of the bid.
- F. The bidder shall have an average annual turnover of not less than ₹2 crore during the preceding three financial years.

4.2 FINANCIAL REQUIREMENT:

Bidder / Tenderer should have minimum Average Annual Turn-over of Rs. 1.2 Cr. (Indian Rupees one Crore twenty lakh) during last 3 financial years (**Attach Certificate from Chartered Accountant in this regard**)

It may be noted that the above requirements are minimum qualification criteria. However, Tata Power reserves its right to further assess the capabilities of the parties and reserves its rights to further shortlist, accept or reject any party without assigning any reason.

5. BID SECURITY / EMD:

Interested parties to note that Bidder will be required to furnish a Bid Security along with their Bid, in the format prescribed in Bid Document **in the form of Bank Guarantee or Demand Draft or RTGS**, for an amount as defined in the covering page of this notice document. Bids not accompanied by an acceptable Bid Security shall be rejected by the Owner as being non-responsive and returned to the bidder without being opened.

Interested parties to note that Bid Security is not required with the EOI and it is required to be submitted with the Bid only during Bid Submission stage once RFQ is released to the interested parties that have submitted a valid EOI.

6. BIDDING PROCESS:

Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties that submitted a valid EOI as per terms mentioned in this document.

Bidder to note that commercials for subject tender may be conducted through e-auction. Detailed bidding and auction process shall be detailed in the RFQ / tender document.
