1. INTRODUCTION:

The Tata Power Company Limited (TPCL) is among the largest private sector Power Utility companies in India with presence in Generation, Transmission and Distribution of Power through conventional and renewable sources.

Mundra Thermal Power Station (A Tata Power Division) has implemented the 4150 MW UMPP near the port city of Mundra in the state of Gujarat in India. This UMPP is India's first 830 MW unit thermal power plant using supercritical technology. MTPS operates on imported coal on pulverized coal-based boiler technology. The generating plant is in Tunda village of Mundra district in the state of Gujarat, India.

The tendering activities for this Project are being managed from Tata Power's following Office:

The Tata Power Company Limited,
Mundra Thermal Power Station - Ultra Mega Power Plant,
(Formerly a Unit of Coastal Gujarat Power Limited),
Tunda-Vandh Road, Tunda Village,
Mundra, Kutch 370 435, Gujarat.

2. SCOPE OF WORK:

Fabrication, Painting and replacement of corroded walkway and platforms of BCN-4A/4B & BCN 5A/5B walkways. The brief scope includes

- Fabrication of corroded walkway and platform structures as per suit at site basis/drawing.
- Blasting and Painting of structures as per Painting specification attached in the annexure.
- Removal of corroded walkway and platform structures
- Erection of walkway and platform structures as per. suit at site basis/drawing (Erection of walkway Platform, Handrail fixing, Guard Replacement)
- Return of scraps and dismantled materials to MTPS-Stores.

Fabrication, Erection and Painting BOQ Scope

Services	UoM	Qty

- Tender fee payment details / reference number (ensure that tender fee is received by us within specified deadline)
- Bidder to indicate authorized person name, contact number and e-mail id (mandatory) of the person to whom RFQ / tender and all other communications to be addressed for this tender.

e. Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties submitting a valid EOI as per the terms mentioned in this document.

4. BIDDER PRE-QUALIFICATION REQUIREMENTS:

Interested parties to note that Bidder shall be required to fulfill the following bidder pre-qualification requirement / criteria to qualify for the subject work. Bidder will be required to submit relevant supporting documents to demonstrate their qualification during the bid submission stage against Tender document / RFQ and bidders not found meeting the pre-qualification requirements given below will be disqualified from the tender.

4.1 TECHNICAL REQUIREMENT:

The Agency/ Company must fulfill the following technical criteria to qualify for this contract:

- 4.2.1 The bidder must have successfully completed at least three (03) structural fabrication and erection projects in the last three (03) years in a power plant or similar industry. The submitted references shall demonstrate experience in Structural fabrication and erection works for structures exceeding 40 m in height, with a quantity of 50 MT or more executed within a financial year. Relevant Unpriced PO Copy/completion certificates/client references shall be furnished in support of the above experience.

- 4.2.2 Bidder should furnish List of Clients for whom they have done similar work during the last 3 years as per nature of contract. (Attach PO Copy & Certificates from concerned)
- 4.2.3 Bidder should be preferably certified with ISO 9001 / ISO 14001 / ISO 45001 or must give an undertaking for their willingness to obtain the same within 1 month of qualification for the work.

4.3 FINANCIAL REQUIREMENT:

Bidder / Tenderer should have minimum Average Annual Turn-over of Rs. 50 Lakhs (Indian Rupees Fifty Lakhs) during last 3 financial years. **(Attach Turnover Certificate from Chartered Accountant (or) P&L statement and Balance sheet in this regard)**

It may be noted that the above requirements are minimum qualification criteria. However, Tata Power reserves its right to further assess the capabilities of the parties and reserves its rights to further shortlist, accept or reject any party without assigning any reason.

5. BID SECURITY / EMD:

Interested parties to note that Bidder will be required to furnish a Bid Security along with their Bid, in the format prescribed in Bid Document **in the form of Bank Guarantee or Demand Draft or RTGS**, for an amount as defined in the covering page of this notice document. Bids not accompanied by an acceptable Bid Security shall be rejected by the Owner as being non-responsive and returned to the bidder without being opened.

Interested parties to note that Bid Security is not required with the EOI and it is required to be submitted with the Bid only during Bid Submission stage once RFQ is released to the interested parties that have submitted a valid EOI.

6. BIDDING PROCESS:

Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties that submitted a valid EOI as per terms mentioned in this document.

Bidder to note that commercials for subject tender may be conducted through e-auction. Detailed bidding and auction process shall be detailed in the RFQ / tender document.
