Following shall be the pre-qualification requirement (PQR) for the bidders. Bidders who meet all the following PQR's shall only be considered for price bid evaluation.

TECHNICAL CRITERIA:

The bidder shall satisfy the following minimum qualifying requirements by submitting documentary evidence along with the technical offer, failing which the offers shall be summarily rejected.

1. The bidder shall be the Original Equipment Manufacturer (OEM) of KMP-300 Coal Mill Gearboxes or a service provider having proven experience in overhauling of KMP-300 Coal Mill Gearboxes and supply of associated internal gearbox components. In case the bidder is not the OEM, the bidder shall have successfully executed KMP-300 Gearbox works involving overhauling/repair of KMP-300 Coal Mill Gearboxes along with supply of internal gearbox components such as gears, pinions, shafts, bearings, seals, or other critical parts during the last five (5) years ending on the date of techno-commercial bid opening.
2. The bidder shall have successfully completed at least two repeated purchase orders for a single plant for overhauling of KMP-300 Coal Mill Gearbox along with supply of internal gearbox components for thermal power plants or other process industries. The executed work shall have been carried out for organizations such as Tata Power Group Companies, NTPC, DVC, State Government Power Utilities, or reputed private sector companies such as Jindal, Adani, Reliance, Vedanta, or equivalent organizations. The experience shall specifically pertain to KMP-300 Coal Mill Gearboxes only.
3. Bidder whose past performance is not satisfactory or who fails to establish satisfactory performance in MPL, or any other division of Tata Power shall be rejected and will not be considered in the bidding process.

FINANCIAL CRITERIA:

1. The average annual turnover of the bidder shall not be less than Rs. 50 Lakhs (Rupees fifty lakhs only) for the preceding three financial years (2022-23, 2023-24, 2024-25). To this effect the bidder shall submit audited financial statements for the last three financial years.

Notes & Documentary Evidence to be submitted:

1. The bidder shall submit documentary evidence in support of the above experience in the form of copies of purchase orders/work orders/completion certificates/performance certificates or any other documentary evidence establishing successful execution of overhauling works and supply of KMP-300 gearbox internal components. The documents submitted shall clearly indicate the gearbox model (KMP-300) and the scope comprising both overhauling services and supply of internal spares/components.

2. In case the bidder is the OEM, submission of documentary evidence for past execution as mentioned above shall not be mandatory. However, the OEM shall furnish documentary evidence establishing its status as the manufacturer of KMP-series coal mill gearboxes.
3. The successful bidder shall ensure availability and supply of genuine and fully interchangeable KMP-300 internal gearbox components and shall provide overhauling services in accordance with established engineering practices and OEM recommendations. The Composite Outline Agreement shall be valid for a period of three (3) years, and Contract release orders shall be placed as and when required.
4. Experience of overhauling or supply pertaining to gearboxes other than KMP-300 Coal Mill Gearboxes shall not be considered for qualification. The bidder shall have experience covering both overhauling services and supply of KMP-300 internal gearbox components, and experience limited only to supply of spares or only to repair services shall not be considered for meeting the qualification requirements.
5. All roller bearings supplied under the scope of this contract shall be of SKF, Timken, Schaeffler, or INA make only. No alternative makes shall be accepted.

1. **BID SECURITY/EMD (To be submitted along with RFQ and not with EOI):**

Interested parties to note that Bidder is required to furnish a Bid Security along with their Bid (only during Bid Submission stage), as a Bank Guarantee (in the format prescribed in Bid Document) or as NEFT/RTGS/DD for the specified amount in the table. Bids not accompanied by an acceptable Bid Security shall be rejected by the Owner as being non-responsive and returned to the bidder without being opened.
