Table1 – Tender Summary

Package Details	Tender Fee	Bid Security
Services for replacement of MSRL piping for Ash Plant at Tata Power, MTPS.	INR 2000/- (INR Two Thousand Only). <i>To be submitted along with EOI.</i>	INR 70,000/- (INR Seventy Thousand only). <i>Bid Security to be submitted as a Bank Guarantee or through RTGS or Demand Draft at the BID stage and not with EOI</i>

1. INTRODUCTION:

The Tata Power Company Limited (TPCL) is among the largest private sector Power Utility companies in India with presence in Generation, Transmission and Distribution of Power through conventional and renewable sources.

Mundra Thermal Power Station (A Tata Power Division) has implemented the 4150 MW UMPP near the port city of Mundra in the state of Gujarat in India. This UMPP is India's first 830 MW unit thermal power plant using supercritical technology. MTPS operates on imported coal on pulverized coal-based boiler technology. The generating plant is in Tunda village of Mundra district in the state of Gujarat, India.

The tendering activities for this Project are being managed from Tata Power's following Office:

The Tata Power Company Limited,
Mundra Thermal Power Station - Ultra Mega Power Plant,
(formerly a Unit of Coastal Gujarat Power Limited),
Tunda-Vandh Road, Tunda Village,
Mundra, Kutch 370 435, Gujarat.

2. SCOPE:

The brief scope of work for replacement of MSRL pipe line near CW pump for make up water discharge line comprises below activities:

1. Following preparation work to be done before installation of MSRL Pipelines:
 - All required concrete slabs removal should be carried
 - Area to be hard barricaded before to start the preparation work.
 - Removal of old MSRL Lines from its position & shifting it to store.
 - Required Hydra / Crane / Truck to be arranged priority wise to avoid any delay
 - All required pipelines support to be fabricated and kept ready for installation.
2. Erection of MSRL Pipeline near CW Pump for Make-up water pump discharge line, HP and LP header inside BA pump house
3. To provide structural Supports at every 3 Mtr. interval. Structural steel to be painted as per
4. Tata Power specification.
5. Shaded fabrication yard (if required) is to be prepared by the Agency. Agency will ensure the full safety & fire- fighting equipment like fire extinguisher; Fire buckets etc at work location. Location of the shed will be decided by M/S tata power in consultation with the Agency.
6. Power supply at single location near the working area will be provided by tata power, extension cabling will be in the scope of the vendor. Internal wiring with electrical protections (ELCB/MCB etc.) will be done by the Agency. Lighting at the fabrication yard as well as at the working place is to be done by the Agency.
7. Drinking water is to be arranged by the Agency at its own cost.
8. All the required tools, tackles, Gaskets, scaffolding materials, safety gears & appliances, Man lifters, hydra, crane etc. for the execution of job shall be in Agency scope.
9. To execute the job at height / ground floor, all enablers like scaffolding & others to be arranged by vendor.
10. All the consumable material required for welding & Cutting (Welding Rod, cutting gas, grinding wheels & cutting Wheels etc.) shall be in vendor's scope. Pipe supports with support to be covered with 1 mm SS sheet.
11. Vendor must submit all test certificates of consumables to tata power prior to use at site.
12. Agency must submit detailed schedule for the project along with QAP / FQP for tata power review/approval.
13. Prior to welder qualification, Welder Procedure Specification (WPS) and Procedure Qualification records shall be duly established/verified by TATA power engineer. Welder shall be put on job only after verifying qualification by Tata power QA/QC. All the site inspections must be recorded and maintained by vendor
14. Vendor must use proper PPE's as per the job requirements & as per TATA power Guidelines.
15. Erection method statement, Job safety Analysis (JSA) & Hazard Identification and Risk Analysis (HIRA) need to be submitted by the Agency to M/S TATA power for review & approval.
16. Vendor has to obey / work as per Contractor Safety Management (CSM).
17. Before commencing any activity permit to work is to be taken by Agency.
18. All the electrical Tools & Tackles required for execution need to be certified by MTPS EMD Team. After the certification the team will provide green tag which needs to be displayed on the tools & Tackles.
19. Safety officer shall be deputed throughout the working duration till completion of the project.
20. Shifting & Proper Storage of material (FIM) i.e. pipes, Flanges, fittings & supporting structures to be carried out by the agency with their own resources. Material shifting from Store to site is in vendor scope.

21. Agency must remove all the scrap material from the plant premises after completion of the project.
22. Commissioning charging & flushing of the system shall be done after completion of the entire piping work.

Detailed Scope of work, technical details & BOQ for this Contract shall be provided in the Tender / RFQ document to all potential bidders submitting the valid EOI with tender fees within deadline of submission.

3. TENDER FEE & TIMELINES:

a) Interested parties meeting the "Bidder Pre-Qualification Requirements" specified under point no. 4 in this document can request tender document and participate in the bidding process by submitting the Expression of Interest (EOI) Letter along with the Tender Fee Payment Details to the contact details mentioned below not later than deadline specified below. Request for extension of EOI submission date will not be entertained.

b) **Interested bidders should submit the Expression of Interest (EOI) letter and tender fee payment details to below mentioned email addresses:**

- Mails shall be addressed to (To): ashish.desai@tatapower.com
- Must Mark a copy to (Cc): aseemkumar.joshi@tatapower.com

EOI/ requests without complete information and communication as above within deadline shall be liable to be rejected and will not be considered further.

c) Tender Fee, as indicated in the Table1 above may be paid through **NEFT** as per details for payment of Tender Fee given in Table 2 below:

Table 2

Details for payment of Tender Fee:	
Bank details for submitting Tender fees through bank transfer / NEFT:	Beneficiary Name: TATA POWER CO LTD Bank Name: STATE BANK OF INDIA A/c no: 30545457373 IFS Code: SBIN0009995 A/c type: CURRENT ACCOUNT Branch Name & Address: CAG BRANCH, NEVILLE HOUSE, 23 J N HEREDIA MARG, BALLARD ESTATE, MUMBAI-400001
Deadline for tender fee payment and submission of EOI:	24th April 2025, COB

d) **Expression of Interest letter to be submitted along with tender fee payment details should include the following details:**

- A covering letter duly stamped and signed by an authorized signatory clearly indicating the Tender Reference number and your EOI to participate in the tendering process.
- Tender fee payment details / reference no (ensure that tender fee is received by us within specified deadline)
- Bidder to indicate authorized person name, contact number and e-mail id (mandatory) of the person to whom RFQ / tender and all other communications to be addressed for this tender.

e) Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties submitting a valid EOI as per terms mentioned in this document.

4. BIDDER PRE-QUALIFICATION REQUIREMENTS:

Interested parties to note that Bidder shall be required to fulfill the following bidder pre-qualification requirement / criteria in order to qualify for the subject work. Bidder will be required to submit relevant supporting documents to demonstrate their qualification during the bid submission stage against Tender document / RFQ and bidders not found meeting the pre-qualification requirements given below will be disqualified from the tender.

4.1 TECHNICAL REQUIREMENT:

- a) The bidder must have minimum of 05 years' experience in executing similar piping/structural replacement jobs, specifically in thermal power plants, refineries, or heavy industrial sectors.
- b) Bidders have executed 2 Nos of PO in last three years for similar jobs with each PO value - Rs. 30 Lakhs or above.
- c) Bidder should preferably have ISO 9001, ISO 14001, and ISO: 45001 certification or must give an undertaking for its willingness to obtain the same within 2 months from intimation. These certifications ensure that the bidder adheres to international standards in their maintenance services, ensuring quality, safety, and environmental responsibility.

It may be noted that the above requirements are minimum qualification criteria. However, Tata Power reserves its right to further assess the capabilities of the parties and reserves its rights to further shortlist, accept or reject any party without assigning any reason.

4.2 FINANCIAL REQUIREMENT:

Bidder / Tenderer should have an Average Annual Turn Over of not less than **INR 100 Lakhs (Indian Rupees One Hundred Lakhs)** during the last three financial years. **(Attach CA Certified P&L statement consisting of UDIN Number).**

It may be noted that the above requirements are minimum qualification criteria. However, Tata Power reserves its right to further assess the capabilities of the parties and reserves its rights to further shortlist, accept or reject any party without assigning any reason.

5. BID SECURITY / EMD:

Interested parties to note that Bidder will be required to furnish a Bid Security **along with their Bid**, in the format prescribed in Bid Document **in the form of Bank Guarantee/ Demand Draft/ RTGS**, for an amount as defined in the covering page of this notice document. Bids not accompanied by an acceptable Bid Security shall be rejected by the Owner as being non-responsive and returned to the bidder without being opened.

Interested parties to note that Bid Security is not required with the EOI and it is required to be submitted with the Bid only during Bid Submission stage, once RFQ is released to the interested parties that have submitted a valid EOI.

6. BIDDING PROCESS:

Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties that submitted a valid EOI as per terms mentioned in this document.

Bidder to note that commercials for subject tender may be conducted through e-auction. Detailed bidding and auction process shall be detailed in the RFQ / tender document.
