C. Addition technical details:

Prequalification Criteria (Technical & Commercial):

Pre-Qualification Requirement			
Sr No	Parameter	Tata Power Requirement	Documents to be submitted by vendor to ascertain meeting of Pre-Qualification Requirement
1	2	3	4
A)	Infrastructure	Bidder shall be the Original Equipment Manufacturer (OEM) or an Authorized Channel Partner/Distributor of the offered Fault Passage Indicator (FPI). The OEM shall have a manufacturing /assembly facility with routine testing facilities for FPI. Tata Power reserves the right to inspect the manufacturing/assembly facility, if required.	Self-undertaking from the bidder. In case of an authorized channel partner, a valid OEM authorization certificate shall be submitted. Tata Power reserves the right to inspect the manufacturing facility as proof of compliance.
B)	Supply & Experience	The bidder shall have designed, manufactured, and supplied Fault Passage Indicators (FPI) suitable for 11 kV to 22 kV overhead transmission networks to utilities, DISCOMs, or industrial customers in India. The bidder shall have successfully supplied FPIs of cumulative value not less than ₹1.5 lakh during the last five (5) years. Indian subsidiaries of global companies having a manufacturing/assembly facility in India are also eligible to bid, provided the qualification requirements are met independently or in combination with the parent company. A declaration from the parent company shall be submitted, wherever applicable.	Supply orders, completion/performance certificates from utilities/clients, and a self-undertaking. Tata Power reserves the right to verify the submitted documents and inspect the manufacturing facility, if required.
C)	Type Test Certificates	The offered Fault Passage Indicator (FPI) shall be fully type tested in accordance with the latest applicable IEC/IEEE/IS Standards, including but not limited to IEEE Std. 495:2007, IEC 61000 Series, IEC 60529, IEC 60068 Series, IEC 60060-1, or equivalent internationally accepted standards. The Type Test Reports shall have been conducted on the offered model in a NABL-accredited or internationally accredited laboratory within the last five (5) years from the date of bid opening. If the reports are older than five years, the successful bidder shall conduct all applicable type tests at no additional cost to Tata Power before commencement of supply. Any change in design, material, components, or manufacturing process shall require fresh type testing at no additional cost.	1. Valid Type Test Reports. 2. NABL/International Laboratory Accreditation Certificate. 3. Compliance Matrix against applicable IEC/IEEE/IS Standards. 4. Product Datasheet/Catalogue.
D)	Applicable Standards	The offered equipment shall comply with the latest editions of applicable standards including, but not limited to: IEEE Std. 495-2007, IEC 61000-4-3, IEC 61000-4-4, IEC 61000-4-5, IEC 61000-4-6, IEC 61000-4-8,	Compliance Matrix along with valid Type Test Reports and Product Datasheets.

		IEC 61000-4-9, IEC 60529, IEC 60068-2-1, IEC 60068-2-2, IEC 60068-2-52, IEC 60060-1, or equivalent internationally accepted standards	
E)	Communication Capability	The offered Fault Passage Indicator (FPI) shall be a communication type capable of transmitting fault indications and status to a mobile-based monitoring platform/application. The system shall support remote monitoring and fault alerts through mobile devices.	Product Datasheet, Technical Catalogue, Mobile Application Brochure/User Manual, Communication Architecture, Compliance Statement demonstrating the communication features.
F)	Commercial Capability	The bidder shall have an average annual turnover of not less than 50 Lakh during the last three (3) financial years.	Copies of audited Balance Sheets and Profit & Loss Accounts for the last three financial years, certified by a Chartered Accountant.

Note:

1) The Prequalification Criteria published along with the tender "In Section C.1 Techno-Commercial PQR" is the total & complete pre-qualification requirement for the tender and shall prevail over any other/additional pre-qualification requirement mentioned elsewhere in the tender.

2) Tata Power reserves the right to review and approve / reject the Bidder based on Document Submission.

3) In case the bidder has a previous association with any of the Tata Group companies for similar products and services, the performance feedback for that bidder by Tata Group companies shall only be considered for evaluation, irrespective of performance certificates issued by any third organization."

Above Pre-qualification details need not be submitted at this stage. These shall be required to be submitted along with bid submission. At this stage, Interested Vendors who fulfill above criteria need to participate in tender by paying tender fee and submitting authorization letter as detailed in section "B" above.
