

## **NOTICE INVITING TENDER**

**The Tata Power Company Limited Invites Tenders** (Two-Part Bidding Process), from interested and eligible Vendors for the following Works required for its various Transmission/Receiving Stations.

### **A. Summary of the tendered packages:**

| <b>Tender Enquiry No.</b> | <b>Work Description</b>                                                         | <b>EMD(Rs.)</b> | <b>Tender Participation Fee (Rs.)</b> | <b>Last date and time for Payment of Tender Participation Fee*</b> |
|---------------------------|---------------------------------------------------------------------------------|-----------------|---------------------------------------|--------------------------------------------------------------------|
| CC27AM005                 | Procurement of 220/110/48V Li-ion Battery sets at Tata Power Various Locations. | 55,000/-        | Rs. 2,000/-                           | 1500 Hrs. 30 <sup>th</sup> July 2026                               |

**Interested bidder is strongly advised not to wait by above time and purchase the tender immediately to get the link for bid submission. This will enable them to communicate/raise queries against the subject tender in time.**

For additional technical details and Pre-qualification criteria for the subject works please refer section C below.

### **B. Guidelines for Participating:**

Interested and eligible vendors can participate by submitting the following up to 1500 hours on **Thursday – 30<sup>th</sup> July 2026**.

1. Payment of non-refundable Tender Fee, as indicated in table above to be paid by direct deposit in following bank account

Beneficiary Name – The Tata Power Co. Ltd. Bank

Name – HDFC Bank Ltd.

Branch Name – Fort Branch, Mumbai

Address – Maneckji Wadia Building, Nanik Motwani Marg, Fort, Mumbai 400023. Branch

Code – 60

Bank & Branch Code – 400240015

Account No – 00600110000763

Account type – CC

IFSC Code – HDFC0000060

2. Submission of duly signed and stamped Authorization Letter indicating name of authorized person, contact number and e-mail id (mandatory) on Vendor's letterhead. The letter shall also mandatorily include payment details of Tender fee and Tender Reference no **CC27AM004**.

Authorization Letter along with proof of submission of tender fee should be e-mail to

**Mr. Anuj Mehra** ([anuj.mehra@tatapower.com](mailto:anuj.mehra@tatapower.com)) and copy to **Ms. Vaishali Kachare** ([vaishali.Kachare@tatapower.com](mailto:vaishali.Kachare@tatapower.com))

**Note:** - Once the above-mentioned documents are received, detailed RFP shall be issued through our e-tender system.

3. It is clarified that Bid Guarantee/EMD as mentioned in section "A" above, is not required to be submitted at this stage, and it will be required to be submitted in the form of Bank guarantee at the time of Bid Submission.

**C. Addition technical details:**

**Prequalification Criteria (Technical & Commercial):**

| Pre- Qualification Criterion |                                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                             |                                                      |                                                                                     |

TATA Power reserves the right to inspect the said manufacturing facility as a proof of compliance to this parameter. In case of Channel Partner, OEM authorization letter to be furnished. |                                                      |                                                                                     |
| 2                            | Demonstration of Battery Capacity | <p>a) It is Mandatory for Bidder to Demonstrate Load Cycle Handling Capability of the Battery at Purchaser/Bidder works prior to finalization of the order. For the demonstration all the expenses incurred shall be borne by the bidder.</p> <p>b) If Bidder is found unsatisfactory during the Demonstration/Testing process, then the Order stands cancelled.</p> <p>c) The Lithium-Ion Battery shall be Factory Tested for the provided Discharge profile and shall successfully match the Discharge Current characteristics.</p> <p>d) Any Modifications/ Additions in Cell type/configuration OR Cell Modules for matching the Load Discharge Characteristics is the responsibility of the Bidder (without any cost impact).</p> <p>e) The Test Environment characteristics i.e. Ambient Temperature etc. shall be provided to the manufacturer with the Load profile, which shall be simulated while Factory Testing of the Battery set.</p> <p>f) The Bidder shall demonstrate the Load Cycle handling Capability of the offered Lithium-ion battery set and provide Comprehensive reports for the same.</p> | A Comprehensive Report shall be submitted by the Bidder to Tata Power for Approval after Factory Testing of the Battery as per the provided Load Discharge Cycle/Profile.                                                                   |                                                      |                                                                                     |

|   |                                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |  |  |
|---|-------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|
| 3 | Supply and Experience                           | <p>Bidder shall have supplied two (2) quantity of Li-ion Battery of min.600 Ah capacity with 6 hours or longer in last one years and the system shall be in satisfactory service for last one year.</p> <p>As a special case, trial PO received / executed in last one year for reputed power utility company with min 600 Ah Capacity may be considered by the purchaser at their discretion during post bid evaluation.</p> <p>"In case the bidder has a previous association with Tata Power for similar products and services, the performance feedback for that bidder by Tata Power shall only be considered irrespective of performance certificates issued by any other organization. Technical performance, delivery timelines, service and support records of past executed projects in Tata Power will be considered for technical evaluation of bidder." Indian Subsidiaries of global companies having plant in India are also eligible to bid if the qualification requirements stated above are met independently or in combination with the parent company. Declaration from parent company needs to be submitted.</p> | Supply List & Performance Certificates from the utilities / clients Self-undertaking to be submitted in this regard. TATA Power reserves the right to inspect the said manufacturing facility as a proof of compliance to this parameter.                                                                                                                                                                                                                                                                                                                                                                                                                                                              |  |  |
| 4 | Type Test                                       | <p>The bidder shall submit Type test reports obtained from NABL/ International Accredited Lab for the equipment / material offered. The type tests should have been conducted on the equipment / material of the same design. The type tests should have been conducted within 5 years prior to the date of bid opening. Time period for type test can be extended by another 5 years as a special case, if there is no change in design / material of construction (MOC).</p> <p>In case the type test reports furnished are not for the quoted equipment / material but for the equipment / material with higher voltage class and/or different capacity, then type test shall be carried out for the offered equipment / material from NABL / International Accredited Lab without any cost implication to the owner and the Type Test reports shall be submitted before dispatch of the equipment / material.</p>                                                                                                                                                                                                                  | <p>Type Test Report. Undertaking that there is no change in design / material of construction (MOC) if Type Test Report older than 5 years but less than 10 years prior to date of bid opening has to be considered (if applicable)</p> <p>Undertaking that type test shall be carried out for the offered equipment / material from NABL / International Accredited Lab without any cost implication to the owner and the Type Test reports shall be submitted before dispatch of the equipment / material, in case type test reports furnished are not for the quoted equipment / material but for the equipment / material with higher voltage class and/or different capacity, (if applicable)</p> |  |  |
| 5 | Installation & Commissioning for same equipment | In case the package involves installation & commissioning of the equipment / material, then the bidder shall have installed and commissioned at least two (2) quantity of Li-ion Battery of min.600 Ah capacity with 6 hours or longer and should have been                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Performance Certificates from the utilities / clients                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |  |  |

|   |                                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                               |  |  |
