The Tata Power Company Limited Invites Expression of Interest (EOI) from interested parties for the Two-Part e-Tendering Process of following Relevant Work Package:

**Table1 – Tender Summary**

<b>Package Details</b>	<b>Tender Fee</b>	<b>Bid Security</b>
Outline Agreement (Rate Contract) for Services for structural fabrication and erection works at Tata Power, MTPS.	INR 2000/- (INR Two Thousand Only). <i>To be submitted along with EOI.</i>	INR 1,00,000/- (INR One Lakh only). <i>Bid Security to be submitted as a Bank Guarantee or through RTGS or Demand Draft at the BID stage and not with EOI</i>

### **1. INTRODUCTION:**

The Tata Power Company Limited (TPCL) is among the largest private sector Power Utility companies in India with presence in Generation, Transmission and Distribution of Power through conventional and renewable sources.

Mundra Thermal Power Station (A Tata Power Division) has implemented the 4150 MW UMPP near the port city of Mundra in the state of Gujarat in India. This UMPP is India's first 830 MW unit thermal power plant using supercritical technology. MTPS operates on imported coal on pulverized coal-based boiler technology. The generating plant is in Tunda village of Mundra district in the state of Gujarat, India.

The tendering activities for this Project are being managed from Tata Power's following Office:

The Tata Power Company Limited,  
Mundra Thermal Power Station - Ultra Mega Power Plant,  
(formerly a Unit of Coastal Gujarat Power Limited),  
Tunda-Vandh Road, Tunda Village,  
Mundra, Kutch 370 435, Gujarat.

## 2. SCOPE:

The brief scope of work for outline agreement (rate contract) for fabrication, surface preparation, painting and erection works for structural steel and piping comprises below activities:

1. Structural steel and piping jobs to be carried out against agreed service rates during tenure of the contract.
2. Issuing of all materials such as, structural steel, handrail pipes, toe guards & Plates from MTPS store to site by using all resources such as hydra, truck, trailer, crane is in contractor scope.
3. All consumables like grinding wheel, cutting wheels, welding electrodes, gases, all consumables is in vendors scope. Grinding wheel (Norton, Bosch, Coromandel, ESAB) welding electrodes (ESAB, D&H, Adore, Bohler), filler wire (ESAB, D&H, Adore, Bohler)etc must be of approved vendors.
4. Blasting painting of all structural items is in vendors scope as per painting guidelines mentioned below.
5. Power supply at single location will be provided by MTPS, internal wiring with electrical protection (ELCB/MCB etc) will be done by the contractor. The power points are available at a distance of approx-100 meters. All extension cabling will be scope of the vendor.
6. Drinking water is to be arrangement by the contractor at its own cost.
7. Lighting at the fabrication yard & at the working place is to be done by the contractor
8. All the required tools, tackles, scaffolding materials, safety gears & appliances, P& M, Man lifters etc for the execution of job shall be in contractor scope.
9. All scaffolding material is in vendors scope,
10. Contractor to ensure that the fabrication shop as well as the working place shall be neat & clean and free from combustion material (Coal/oil etc)
11. At working place all the cleaning is to be done by the contractor, during Erection All the Debris is to be lifted/removed by the contractor.
12. All the fire prevention precaution shall be taken by the contractor before starting the welding work at working place as well as at the fabrication yard approved by MTPS fire Incharge.
13. All the consumable (Welding rods etc) will be in the scope of the contractor.
14. Welding shall be done by the welders, qualified by MTPS. Prior to welder qualification, Welder Procedure Specification and Procedure Qualification records shall be duly established/verified by MTPS engineer. Welder shall be put on job only after verifying qualification by MTPS QA/QC.
15. All the supporting structures, channels , plates, beams , stiffeners, support channels , EP & Base plate shall be shot blasted through copper slags maintaining the surface (SA2-1/2) & painted as per the attached painting specs at the yard before welding at the work place. Special shed to be prepared for carrying out shot blasting. After welding, weld joints at supporting structures shall be cleaned through mechanical power tools & painted after 24hrs of the welding to avoid any rust picking.
16. Erection method statement, JSA & HIRA is to be submitted by the contractor to M/S MTPS for review/approval.

17. Transportation /lifting/handling of materials shall be done very carefully to avoid any damage to the material; damaged materials shall be recovered from the contractor.
18. For piping erection, miters/bends are to be fabricated from the pipes wherever is required (as per the instruction of MTPS Engineer). Bends at pipe trenches shall be fabricated by taking measurement suit to site.
19. Materials/structures issued from the store for erection shall be under contractor store & security of the materials is under contractor scope. Any theft / loss of material will be recovered from the contractor
20. All lifting tools tackles such as hydra, crane, trailer, truck, scaffolding materials will be scope of contractor.
21. Vendors must keep all statutory requirements as per MTPS safety guidelines.
22. All electrical equipment to certified by vendor from MTPS EMD prior to starting of job.
23. Payment against material handling service for structure steel will be done after submission of weighthment slip provided by stores. In case of non-submission of slip, payment will not be processed.

- **Painting of structure steel as per below mentioned guidelines.**

- **1ST COAT:** TWO COMPONENT POLYAMINE CURED ALUMINUM PIGMENTED HIGH BUILD (MIN 80% SV) SURFACE TOLERANT MODIFIED EPOXY MASTIC COATING WITH DFT: 150 MICRON.
- **2ND COAT:** TWO COMPONENT POLYAMINE CURED ALUMINUM PIGMENTED HIGH BUILD (MIN 80% SV) SURFACE TOLERANT MODIFIED EPOXY MASTIC COATING WITH DFT: 150 MICRON. COLOR SHALL BE CHANGED FROM 1ST COAT.
- **3RD COAT:** TWO COMPONENT ALIPHATIC ACRYLIC POLYURETHANE, DFT: 50 MICRONS (FINAL SHADE RAL7001 TA GREY).
- TOTAL MINIMUM DFT: 350 MICRON STRIPE COAT: AT LEAST 2 STRIPE COATS WITH PRIMER / INTERMEDIATE COAT TO BE APPLIED ON ALL EDGES AND CRITICAL AREAS.
- PAINT BRAND: **JOTUN, AKZONOBEL AND 3M**

### **3. TENDER FEE & TIMELINES:**

- a) Interested parties meeting the "Bidder Pre-Qualification Requirements" specified under point no. 4 in this document can request tender document and participate in the bidding process by submitting the Expression of Interest (EOI) Letter along with the Tender Fee Payment Details to the contact details mentioned below not later than deadline specified below. Request for extension of EOI submission date will not be entertained.
- b) **Interested bidders should submit the Expression of Interest (EOI) letter and tender fee payment details to below mentioned email addresses:**
  - Mails shall be addressed to (To): [ashish.desai@tatapower.com](mailto:ashish.desai@tatapower.com)
  - Must Mark a copy to (Cc): [aseemkumar.joshi@tatapower.com](mailto:aseemkumar.joshi@tatapower.com)

EOI/ requests without complete information and communication as above within deadline shall be liable to be rejected and will not be considered further.

- c) Tender Fee, as indicated in the Table1 above may be paid through **NEFT** as per details for payment of Tender Fee given in Table 2 below:

Table 2

Details for payment of Tender Fee:	
Bank details for submitting Tender fees through bank transfer / NEFT:	Beneficiary Name: TATA POWER CO LTD Bank Name: STATE BANK OF INDIA A/c no: 30545457373 IFS Code: SBIN0009995 A/c type: CURRENT ACCOUNT Branch Name & Address: CAG BRANCH, NEVILLE HOUSE, 23 J N HEREDIA MARG, BALLARD ESTATE, MUMBAI-400001
Deadline for tender fee payment and submission of EOI:	<b>30<sup>th</sup> June 2025, COB</b>

- d) **Expression of Interest letter to be submitted along with tender fee payment details should include the following details:**

- A covering letter duly stamped and signed by an authorized signatory clearly indicating the Tender Reference number and your EOI to participate in the tendering process.
- Tender fee payment details / reference no (ensure that tender fee is received by us within specified deadline)
- Bidder to indicate authorized person name, contact number and e-mail id (mandatory) of the person to whom RFQ / tender and all other communications to be addressed for this tender.

- e) Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties submitting a valid EOI as per terms mentioned in this document.

#### **4. BIDDER PRE-QUALIFICATION REQUIREMENTS:**

Interested parties to note that Bidder shall be required to fulfill the following bidder pre-qualification requirement / criteria in order to qualify for the subject work. Bidder will be required to submit relevant supporting documents to demonstrate their qualification during the bid submission stage against Tender document / RFQ and bidders not found meeting the pre-qualification requirements given below will be disqualified from the tender.

#### 4.1 TECHNICAL REQUIREMENT:

- a) Bidder must have experience of minimum 05 years in fabrication and erection of structure, platform and pipe fabrication/erection.
- b) Bidder must provide a minimum of three references for successful completion of similar projects (Order Value not less than 40 Lakhs) as per above-mentioned scope. Further, bidder must have executed order for total value of 1.5 Crores in last 03 years.
- c) Bidder should preferably have ISO 45001:2018, ISO 9001:2015 & ISO 14001:2015 certification or must give an undertaking for its willingness to obtain the same within 2 months from intimation. These certifications ensure that the bidder adheres to international standards in their maintenance services, ensuring quality, safety, and environmental responsibility.
- d) Bidder shall submit the following document along with the Bid Document in support of the qualification criteria as specified above:
  - Reference list of similar projects executed in past 3 years with brief project description.
  - Work completion / commissioning certificates for successfully executed projects of minimum 3 nos. of similar nature in last 5 years.
  - Performance certificate from reputed clients.
  - Experience details should be submitted as per the following table format

Sr. No.	Client Details	Order No., Date & Year	Contract Tenure	Order Value	Brief Details of Scope of Work

It may be noted that the above requirements are minimum qualification criteria. However, Tata Power reserves its right to further assess the capabilities of the parties and reserves its rights to further shortlist, accept or reject any party without assigning any reason.

#### 4.2 FINANCIAL REQUIREMENT:

Bidder / Tenderer should have an Average Annual Turn Over of not less than **INR 100 Lakhs (Indian Rupees One Hundred Lakhs)** during the last three financial years. **(Attach CA Certified Turnover statement)**.

It may be noted that the above requirements are minimum qualification criteria. However, Tata Power reserves its right to further assess the capabilities of the parties and reserves its rights to further shortlist, accept or reject any party without assigning any reason.

## 5. BID SECURITY / EMD:

Interested parties to note that Bidder will be required to furnish a Bid Security **along with their Bid**, in the format prescribed in Bid Document **in the form of Bank Guarantee/ Demand Draft/ RTGS**, for an amount as defined in the covering page of this notice document. Bids not accompanied by an acceptable Bid Security shall be rejected by the Owner as being non-responsive and returned to the bidder without being opened.

**Interested parties to note that Bid Security is not required with the EOI and it is required to be submitted with the Bid only during Bid Submission stage**, once RFQ is released to the interested parties that have submitted a valid EOI.

## 6. BIDDING PROCESS:

Detailed Bid Document (also referred as RFQ) shall be issued through Tata Power e-tender portal (Ariba System) only to the parties that submitted a valid EOI as per terms mentioned in this document.

Bidder to note that commercials for subject tender may be conducted through e-auction. Detailed bidding and auction process shall be detailed in the RFQ / tender document.
