Bidders shall quote for the entire Scope of Supply/ work with a break up of prices for individual items and Taxes & duties. The bidder shall complete the appropriate Price Schedules included herein, stating the Unit Price for each item & total price with taxes, duties & freight up to destination at various sites of TPC. The all-inclusive prices offered shall be inclusive of all costs as well as Duties, Taxes and Levies paid or payable during the execution of the supply work, breakup of price constituents.

The quantity break up shown else-where other than Price Schedule is tentative. The bidder shall ascertain himself regarding material required for completeness of the entire work. Any items not indicated in the price schedule but which are required to complete the job as per the Technical Specifications/ Scope of Work/ SLA mentioned in the tender, shall be deemed to be included in prices quoted.

3.4 Bid Currencies

Prices shall be quoted in Indian Rupees Only.

3.5 Period of Validity of Bids

Bids shall remain valid for 180 days from the due date of submission of the bid.

Notwithstanding clause above, the TPC may solicit the Bidder's consent to an extension of the Period of Bid Validity. The request and responses thereto shall be made in writing.

3.6 Alternative Bids

Bidders shall submit Bids, which comply with the Bidding documents. Alternative bids will not be considered. The attention of Bidders is drawn to the provisions regarding the rejection of Bids in the terms and conditions, which are not substantially responsive to the requirements of the bidding documents.

3.7 Modifications and Withdrawal of Bids

The bidder is not allowed to modify or withdraw its bid after the Bid's submission. The EMD as submitted along with the bid shall be liable for forfeiture in such event.

3.8 Earnest Money Deposit (EMD)

The bidder shall furnish, as part of its bid, an EMD amounting as specified in the tender. The EMD is required to protect the TPC against the risk of bidder's conduct which would warrant forfeiture.

The EMD shall be denominated in any of the following form:

- Banker's Cheque/ Demand Draft/ Pay order drawn in favor of The Tata Power Company Limited, payable at Mumbai.

RFQ No.: 4100066499

- Online transfer of requisite amount through NEFT/ RTGS.

The EMD shall be forfeited in case of:

a) The bidder withdraws its bid during the period of specified bid validity.

Or

- b) The case of a successful bidder, if the Bidder does not
- i) accept the purchase order, or
 - ii) furnish the required performance security BG

3.9 Type Tests (if applicable)

As per attached Annexures

4.0 Bid Opening & Evaluation process

4.1 Process to be confidential

Information relating to the examination, clarification, evaluation and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process. Any effort by a Bidder to influence the TPC's processing of Bids or award decisions may result in the rejection of the Bidder's Bid.

4.2 Technical Bid Opening

Bids will be opened at TPC Office Mumbai as per the schedule mentioned in Calendar of Events. In case of limited tenders, the bids shall be opened internally by TPC. In case of Open Tenders, the bids shall be opened in the presence of accredited representatives of bidders who may choose to be present at the time of tender opening. Technical bid must not contain any cost information whatsoever.

First the envelope marked "EMD" will be opened. Bids without EMD/cost of tender (if applicable) of required amount/ validity in prescribed format, shall be rejected.

Next, the technical bid of the bidders who have furnished the requisite EMD will be opened, one by one. The salient particulars of the techno commercial bid will be read out at the sole discretion of TPC.

4.3 Preliminary Examination of Bids/Responsiveness

TPC will examine the Bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the Bids are generally in order. TPC may ask for submission of original documents in order to verify the documents submitted in support of qualification criteria.

Arithmetical errors will be rectified on the following basis: If there is a discrepancy between the unit price and the total price per item that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price per item will be corrected. If there is a discrepancy between the Total Amount and the sum of the total price per item, the sum of the total price per item shall prevail and the Total Amount will be corrected.

Prior to the detailed evaluation, TPC will determine the substantial responsiveness of each Bid to the Bidding Documents including production capability and acceptable quality of the Goods offered. A substantially responsive Bid is one, which conforms to all the terms and conditions of the Bidding Documents without material deviation.

Bid determined as not substantially responsive will be rejected by the TPC and/or the TPC and may not subsequently be made responsive by the Bidder by correction of the non-conformity.

RFQ No.: 4100066499

4.4 Techno Commercial Clarifications

Bidders need to ensure that the bids submitted by them are complete in all respects. To assist in the examination, evaluation and comparison of Bids, TPC may, at its discretion, ask the Bidder for a clarification on its Bid for any deviations with respect to the TPC specifications and attempt will be made to bring all bids on a common footing. All responses to requests for clarification shall be in writing and no change in the price or substance of the Bid shall be sought, offered or permitted owing to any clarifications sought by TPC.

4.5 Price Bid Opening

Price bids will be opened at the stipulated date and time. The EMD of the bidder withdrawing or substantially altering his offer at any stage after the technical bid opening will be forfeited at the sole discretion of TPC without any further correspondence in this regard.

4.7 Reverse Auctions

TPC reserves the right to conduct the reverse auction (instead of public opening of price bids) for the products/ services being asked for in the tender. The terms and conditions for such reverse auction events shall be as per the Acceptance Form attached as Annexure VI of this document. The bidders along with the tender document shall mandatorily submit a duly signed copy of the Acceptance Form attached as Annexure VI as a token of acceptance for the same.

5.0 Award Decision

TPC will award the contract to the successful bidder whose bid has been determined to be the lowest-evaluated responsive bid as per the Evaluation Criterion mentioned at Clause 2.0. The Cost for the said calculation shall be taken as the all-inclusive cost quoted by bidder in Annexure I (Schedule of Items) subject to any corrections required in line with Clause 4.3 above. The decision to place purchase order/LOI solely depends on TPC on the cost competitiveness across multiple lots, quality, delivery and bidder's capacity, in addition to other factors that TPC may deem relevant.

TPC reserves all the rights to award the contract to one or more bidders so as to meet the delivery requirement or nullify the award decision without assigning any reason thereof.

In case any supplier is found unsatisfactory during the delivery process, the award will be cancelled and TPC reserves the right to award other suppliers who are found fit.

6.0 Order of Preference/Contradiction:

In case of contradiction in any part of various documents in tender, following shall prevail in order of preference:

1. Schedule of Items (Annexure I)
2. Post Award Contract Administration (Clause 7.0)
3. Submission of Bid Documents (Clause 3.0)

(To be signed and stamped by the bidder)

In a bid to make our entire procurement process more fair and transparent, TPC intends to use the reverse auctions through SAP-SRM tool as an integral part of the entire tendering process. All the bidders who are found as technically qualified based on the tender requirements shall be eligible to participate in the reverse auction event.

The following terms and conditions are deemed as accepted by the bidder on participation in the bid event:

1. TPC shall provide the user id and password to the authorized representative of the bidder. *(Authorization Letter in lieu of the same shall be submitted along with the signed and stamped Acceptance Form).*
2. TPC will make every effort to make the bid process transparent. However, the award decision by TPC would be final and binding on the supplier.
3. The bidder agrees to non-disclosure of trade information regarding the purchase, identity of TPC, bid process, bid technology, bid documentation and bid details.
4. The bidder is advised to understand the auto bid process to safeguard themselves against any possibility of non-participation in the auction event.
5. In case of bidding through Internet medium, bidders are further advised to ensure availability of the entire infrastructure as required at their end to participate in the auction event. Inability to bid due to telephone line glitch, internet response issues, software or hardware hangs, power failure or any other reason shall not be the responsibility of TPC.
6. In case of intranet medium, TPC shall provide the infrastructure to bidders. Further, TPC has sole discretion to extend or restart the auction event in case of any glitches in infrastructure observed which has restricted the bidders to submit the bids to ensure fair & transparent competitive bidding. In case of an auction event is restarted, the best bid as already available in the system shall become the start price for the new auction.
7. In case the bidder fails to participate in the auction event due any reason whatsoever, it shall be presumed that the bidder has no further discounts to offer and the initial bid as submitted by the bidder as a part of the tender shall be considered as the bidder's final no regret offer. Any offline price bids received from a bidder in lieu of non-participation in the auction event shall be out-rightly rejected by TPC.
8. The bidder shall be prepared with competitive price quotes on the day of the bidding event.
9. The prices as quoted by the bidder during the auction event shall be inclusive of all the applicable taxes, duties and levies and shall be FOR at TPC site.
10. The prices submitted by a bidder during the auction event shall be binding on the bidder.
11. No requests for time extension of the auction event shall be considered by TPC.
12. The original price bids of the bidders shall be reduced on pro-rata basis against each line item based on the final all inclusive prices offered during conclusion of the auction event for arriving at Contract amount.

A1 INTENT OF SPECIFICATION

Currently, Tata power co. Ltd (TPC)- Transmission has Alcatel lucent make VOIP based telephone exchange spread across approximately 35 locations. Present TPC user base is approximately 6000 users comprising of analog, digital & across Mumbai HO region. TPC has deployed large system (OXE) across TPC network. Majority of telephone exchange system running across TPC network is more than 15 years old. Thus, Current telephone exchanges in Tata Power have reached the end of their life and are no longer supported by the manufacturer, which puts critical communication at risk. Hence, Following are the major services proposed to keep the Telephone system reliable and available 24x7 during regular & critical operations.

A3 SCOPE OF WORK

It is proposed to have reliable support from the OEM/SI for our existing Telephone exchange system. Alcatel-Lucent's Software Protection Service (SPS) is required to be considered to keep our existing EPABX system compatible with all current and future latest handsets. It also makes sure that any security vulnerabilities, audit findings or bugs/hot fixes, version updates (minor, major release) related to EPABX firmware & software can be fixed and support will be provided to major Software technical issues for the next five years. In software support, OEM will provide us major releases, patch upgrade for the cards, which is essential to keep the system running smoothly and compatibly with each other existing & new EPABX systems in TataPower. The SPS period will be for 5 Years for the above mentioned scope of work.

Further, bidder may refer the Specification section-B to the under more in details of Scope of work and propose the solution and submit the offer accordingly.

with detailed plan shall be submitted by the bidder before placement of the order by purchaser.

- 3.4 Bidder scope includes release upgradation & configuration of telephone exchange system across proposed stations for the Software Protection Service support for Alcatel-Lucent systems.
- 3.5 Bidder will be responsible for healthiness of all hardware during release upgradation on site till the contract period .
- 3.6 Bidder shall gather all necessary information required for Service and support for time to time basis for release upgradation of proposed stations like Mao file, ops, vg etc whatever is required for release upgradation.
- 3.7 Bidder shall ensure that correct licenses & quantity is reflected in system post upgradation of telephone exchange.
- 3.8 Bidder shall ensure compatibility of mentioned EPABX with each other EPABX across Tata Power as well as ensure no hardware upgrade cost during contract period While maintaining reliability, efficiency & trouble free operation of system. Bidder shall consider essential software required for Upgrading system to latest release every year .
- 3.9 Bidder to ensure that during SPS all existing hardware (Except CPU Card) shall be supported with release upgraded system. Bidder will be solely responsible for any issues/Incompatibility observed after upgradation of system.
- 3.10 During SPS contract, Bidder should ensure whenever new Release is Upgraded system should work with 100% feature transparency i.e all features should be available in upgraded system. Bidder will be completely responsible in case any feature is not working.
- 3.11 During SPS contract -Bidder shall support any services related to EPABX of mentioned stations (Hardware/Feature) is
- 3.12 Bidder shall be responsible for fixing bugs observed during testing phase or post release upgradation of system.
- 3.13 Bidder should provide full support for period of five years for proposed release upgradation. During this period TPC should be able to add any new license/feature to system without any additional cost.
- 3.14 Bidder should share team, schedule & Deliverables before hand .
- 3.15 Bidder to ensure all Current & upcoming handsets will be compatible with the existing EPABX system and With the upgrade of EPABX, latest generation phones can be used.
- 3.16 Bidder to ensure if the system is in SPS, then any new release launched by OEM will be free of cost.
- 3.17 Bidder to ensure all supported vulnerabilities related to EPABX will be actioned in terms of any audit or non-compliances & bug fixing is possible if the system is in SPS.

- 3.18 Bidder shall ensure Software Upgrade ensures there is no replacement of the system hardware ensuring investment protection. Same System once upgraded becomes functionally on the latest platform with latest features compatibility.
- 3.19 Bidder shall ensure that SPS allows us to add any hardware or software without any additional upgrade charges.
- 3.20 Bidder shall ensure that during SPS, the system can check for newer vulnerabilities to resolve and enhance the performance of the system.
- 3.21 Bidder to ensure that during Contract of SPS, OEM support available for L3 & L4 level.
- 3.22 Bidder shall prepare checklist for testing of voice calls & telephony features. Bidder shall do all testing as per checklist post release upgradation. In case of any functionality/Calling/Feature issues arising after upgradation, Bidder will be responsible to resolve the issue.
- 3.23 Bidder shall resolve all issues noticed after release upgradation, irrespective of whether the issue noticed is older or current.
- 3.24 Bidder shall consider scope of integration with existing OXO & 3rd Party OEM EPABX.
- 3.25 Preventive maintenance of proposed EPABX system must be done during release upgradation. As a part of SPS & bidder shall consider same in scope.
- 3.26 Bidder should perform checks & integration with NMS post release upgradation of proposed system.
- 3.27 Bidder shall depute qualified & trained engineer for release upgradation of system. In case of any major down time of TPC system due to manual mistakes, bidder will be responsible for restoration.
- 3.28 Any failure of existing or new hardware during commissioning phase, Bidder will be responsible to provide replacement of the same. In such a case, Bidder shall provide temporary hardware & replacement shall be done within 2-3 weeks of reporting.
- 3.29 Bidder shall adhere to all terms mentioned in the service level agreement.
- 3.30 Bidder shall submit detailed documentation of proposed activities in SPS
- 3.31 Bidder shall abide to all TPC statutory compliance requirements like Safety training, statutory entry permissions as per Safety clauses (Whatever documents required for gatepass entry) etc.
- 3.32 Technician/Engineer working at site should have proper PPE such (minimum Safety helmet, safety shoes) and use it suitably while working at site and adhere to Tata Power Safety norms.
- 3.33 Bidder scope includes release upgradation, features testing and documentation at given sites
- 3.34 Bidder shall study the existing architecture and provide detailed implementation & testing plan for proposed implementation.

- 3.35 Bidder will be responsible for end-to-end testing of services.
- 3.36 Bidder to submit the detailed plan for proposed network.
- 3.37 Bidder shall consider quarterly health check-up of all systems and submit the report.
- 3.38 Testing of the system as per approved outcomes, healthiness checks and configuration using appropriate test instruments in presence of TATA power engineers.
- 3.39 Offered services should be cyber secured and should be well protected from cyber threats identified during the contract period.
- 3.40 Offered service should be tested for vulnerabilities as specified by leading cybersecurity agencies at global level.
- 3.41 The offered services shall be compatible with all other OEMs product. Any interoperability issues arising during commissioning and during guarantee period, bidder shall undertake to resolve as per agreed SLA. Any other critical issues related to performance; Software/Device bugs observed during commissioning / post commissioning shall be attended by bidder as per agreed SLA.
- 3.42 Suitable test certificates from accredited agency should be submitted by bidder with product offer.
- 3.43 Bidder shall provide undertaking that offered product will be in support for next 10 years & Bidder will ensure that all spares related to offered product will be available during this period. In case bidder declares end of life or support for offered product, Bidder must provide replacement of equivalent product at no extra cost to Tata Power.
- 3.44 Bidder shall clearly mention delivery timelines of offered product.
- 3.45 All requirements should be made clear during the site visit and also in the offer made by the bidder. Any other requirements coming up during later stages after award of contract will strictly not be accepted and will be to bidder's account.
- 3.46 Submission of all project documents design, as built will have to be submitted by the bidder in appropriate soft and hard copy formats.
- 3.47 All engineers deputed at site along with technicians should be well trained and should abide by all safety protocols laid down by TATA Power. Successful bidder will be responsible for carrying out the necessary documentation required for enabling vendor teams to work in TATA Power premises (it will include submission of docs like PF, ESIC, Medical insurance, fitness certificate, Police verification & other documents prescribed by Tata Power admin team time to time during entire project duration).
- 3.48 Transportation for engineer/technician at site with necessary tools is in scope of bidder for attending any release upgradation work or services under SPS.
- 3.49 Final documentation shall be submitted by bidder through Wrench system (Tata Power document review and approval system).

- 1.4 Contractor shall at all times have full responsibility for control of the Equipment and for the direction and supervision of operations being carried out under the Contract.
- 1.5 In the performance of the Work, Contractor shall be and act as an independent Contractor fully responsible and accountable for the proper execution of its responsibilities, obligations and

liabilities under this Contract and for its own acts and the acts of its Sub-Contractors and the Personnel. Owner's supervision, examination or inspection of the (performance of the) Work or omission to carry out the same shall not be construed in any manner whatsoever as relieving Contractor from its responsibilities, obligations or liabilities under this Contract.

- 1.6 Contractor shall submit list of tools & tackles with details of make, year of manufacturing, valid certification to the Project Manager/ User for their approval.

Project Manager may during the execution of project inspect & verify that the tools & tackles are as per the qualification requirements approved by him and will have right to seek replacements in case of any discrepancies. The Contractor shall always comply with such directives.

- 1.7 Contractor shall engage Tata Power Skill Development Institute (TPSDI) certified labour force at the site for execution of the job. Requirement & fees for TPSDI certification shall be as per Company Policy.
- 1.8 Contractor shall take full responsibility for the protection and security of Owner's materials and equipment while such materials and equipment are temporarily stored in Contractor's facility or otherwise in Contractor's custody.
- 1.9 All notices, instructions, information, and other communications given by the Contractor to Owner under the Contract shall be given to the Order Manager/ Owner's representative, except as otherwise provided for in this Contract.
- 1.10 The Contractor shall make its own arrangements for movement of personnel and equipment, within and outside the sites / units / offices at the various locations covered by the Contract.
- 1.11 The Contractor shall acquire in its name all permits, approvals, and/or licenses from all local, state, or national government and other statutory authorities and/or public service undertakings that are necessary for the performance of the Contract.
- 1.12 Neither the Contractor nor its personnel shall during the term of this Contract, engage in any business or professional activities in India/abroad which would conflict with the activities assigned to them under this Contract.

2. Service Warranties:

Contractor warrants that all services performed for or on behalf of Owner will be performed in a competent,

workmanlike manner and shall be free from faults and defects. Said warranties shall be in addition to any warranties of additional scope given by Contractor to Owner. None of said warranties and no other implied or express warranties shall be deemed is claimed or excluded unless evidenced by a change notice or revision issued and signed by Owner's authorized representative.

- n) The Workmen's Compensation Act, 1923.
- o) The Employer's Liability Act, 1938.
- p) and any other applicable statutory act

Site Specific requirements shall be as Annexure at I. The compliance to these Site Specific requirements shall not absolve the Contractor of its obligation to comply with the Owner's Contractor Safety Management Policy.

4. Owner's Obligation:

- 4.1 The order manager (As specified in the 'Commercial Notes') shall have the authority to represent Owner on all day-to-day matters relating to the Contract or arising from the Contract. All notices, instructions, orders, certificates, approvals, and all other communications under the Contract shall be given by the order manager, except as otherwise provided for in this Contract. The order manager may appoint the Engineer-In-Charges for different areas for monitoring the work progress, inspections and signing of bills.

- 4.2 Owner shall ensure the availability of site access, all information and/or data to be arranged/ supplied by Owner to the Contractor for execution of the Work . The terms on which the Contractor shall be allowed access to the site shall be specified by the Owner prior to commencement of the execution of the Work and thereafter shall be governed in accordance with such policies as the Owner may provide in writing to the Contractor from time to time.

5. Contractor's/ Sub-contractor's employees:

- 5.1 The Contractor shall engage appropriately qualified persons to provide the services with the prior approval of Owner. Owner may withhold such approval for any reason whatsoever.

- 5.2 The Contractor hereby represents and warrants that:

- i) the personnel are duly qualified, and are, and will remain, sufficiently qualified, careful, skilful, diligent and efficient to provide the services to Owner; and
- ii) the Services will be rendered carefully, skilfully, diligently and efficiently, and to the professional standard reasonably expected by Owner of a contractor qualified and experienced in providing services substantially the same as the Services.

- 5.3 The Contractor must ensure that the Contractor's personnel conduct themselves in a proper manner and comply with the procedures and all policies, regulations and directives of Owner including any occupational, health and safety policies and the relevant prevailing laws and regulations in the Country of operations and specifically in the area where Work is being executed.

- 5.4 Owner may inform the Contractor to immediately remove Contractor's personnel from the relevant premises in the event of misconduct or incompetence on the part of the Personnel. The Contractor shall at all times remain liable for all acts and/or omissions of its Personnel.

- 5.5 It is made clear that no relationship of Owner and employee is created between Owner and the Contractor's resident engineers, employees and no claim for employment of any such personnel shall be tenable or entertained.

6. Title of Property:

- 6.1 Unless otherwise provided in this order or agreed to in writing, property of every description including but not limited to all tooling, tools, equipment and material furnished or made available to Contractor, title to which is

in Owner, and any replacement thereof shall be and remain the property of Owner. Such property other than material shall not be modified without the written consent of Owner. Such property shall be plainly marked or otherwise adequately identified by Contractor as being owned by Owner and shall be safely stored separately and apart from Contractor's property.

6.2 Contractor shall not use such property except for performance of work hereunder or as authorized in writing by Owner. Such property while in Contractor's possession or control shall be listed in writing and kept in good condition, shall be held at Contractor's risk, and shall be kept insured by Contractor, at its expense, in an amount equal to the replacement cost with loss payable to Owner. To the extent such property is not material consumed in the performance of this order, it shall be subject to inspection and removal by Owner and Owner shall have the right of entry for such purposes without any additional liability whatsoever to Contractor. As and when directed by Owner, Contractor shall disclose the location of such property, prepare it for shipment and ship it to Owner in as good condition as originally received by Contractor, reasonable wear and tear excepted.

- Being Carbon Net Zero before 2045
- Growing Clean capacity (80% by 2030)
- Customer centricity
- Becoming water neutral before 2030
- Achieving zero waste to landfill before 2030
- No net loss of biodiversity before 2030
- Positively impacting 80 million lives by 2027

In order to create a sustainable business ecosystem, Tata Power expects that all its Business Associates (BA) which includes its suppliers, vendors, consultants and service providers to align to its ESG and sustainability commitments.

Tata Power encourages improved efficiencies and scaling up of green initiatives through technology and innovation taking us farther on the journey of reducing carbon emissions and preparing the entire eco-system towards products and services that would have net positive impact on the environment and communities that we operate in.

The Vendors/ bidders wishing to associate with Tata Power are expected to share their own sustainability and ESG journey. We at Tata Power promote all Business Associates to have a sustainable procurement policy for their supplier and service providers to contribute to our integrated approach in achieving a sustainable supply chain. The BA is encouraged to carry out the assessment of their sub-contractors and sub-vendors on sustainability readiness so that they are aware of the expectation/ business requirement.

The Vendor/ Bidder shall fill-in the 'Environment, Social and Governance Compliance Screening Questionnaire for Business Associates' attached at Annexure-I and submit the same along with the Bid in Ariba online platform.
